BOTH TO PRISON

Paris, March 25—Col. Francois Des-
caux, former paymaster general in the
French army, charged with stealing mili-
tary stores, was convicted today and
sentenced to seven years solitary con-
finement and military degradation. His
name was ordered removed from the
list of the legion of honor.

Madame Bechoff, the wife of a Ger-
man, in whose house the stolen goods
were found, also was declared guilty
by the court martial and sentenced to
two years imprisonment. A soldier
named Verger, who was accused of aid-
ing in the thefts was given a one year's
sentence. All the other defendants were
declared not guilty.

A WARNING TO MANY

Some Interesting Facts About Kid-
ney Troubles

Few people realize to what extent
their health depends upon the condition
of the kidneys.

The physician in nearly all cases of
serious illness, makes a chemical analysis
of the patient's urine. He knows that
unless the kidneys are doing their work
properly, the other organs cannot really
be brought back to health and
strength.

When the kidneys are neglected or
abused in any way, serious results are
sure to follow. According to health
statistics, Bright's disease which is really
an advanced form of kidney trouble,
caused nearly ten thousand deaths in
1913, in the state of New York alone.
Therefore, it behooves us to pay more
attention to the health of these most
important organs.

An ideal herbal compound that has
had remarkable success as a kidney re-
medy is Dr. Kilmer's Swamp-Root, the
great kidney, liver and bladder remedy.
The mild and healing influence of this
preparation, in most cases, is soon re-
alized, according to sworn statements
and verified testimony of those who
have used the remedy.

If you feel that your kidneys require
attention, and wish a sample bottle,
write to Dr. Kilmer & Co., Bingham-
ton, N.Y. Mention this paper, enclose
ten cents and they will gladly forward it
to you by Parcel Post.

Swamp-Root is sold by every drug-
gist in bottles of two sizes—75c. and
\$1.25.

fice of the city editor.

"See here, sir," he yelled, "what do
you mean by publishing my resignation

"You gave the story out yourself,
didn't you?" asked the editor.

"Of course I did," replied the angry
citizen. "But your fool paper prints it
under the head of public improvements."
