DO YOU SMOKE TOO MUCH?

There are many men on whose heart and nervous system tobacco produces the most serious results. It causes palpitation, pain in the heart, irregularity of its beat, makes the hands tremble, sets the nerves on edge, causes shortness of breath, and loss of sleep.

To counteract this demoralizing influence on the heart and nerves there is no remedy to equal

MILBURN'S HEART AND NERVE PILLS

They make the heart beat strong and steady, restore tone and vigor to the nerves, and remove all the evil results caused by the tobacco.

Mr. Frank Lutes, 71 Terrace Hill St., Brantford, Ont., writes: "I had been troubled with palpitation of the heart for a number of years, and by spells it would bother me a lot. The doctor told me it would stop me some time if I did not cut out tobacco. When I would get a spell my heart would pound, and I would break out in a perspiration, and get so weak I would have to sit right down and quit my work; also in the night I would wake up and my heart would be going, I should say, about 120 beats a minute. About three years ago I got a box of Milburn's Heart and Nerve Pills, took them, and found that they did the job. I am feeling fine and have gained over 20 pounds in weight."

Price, 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

SAGE TEA KEEPS YOUR HAIR DARK

It's Grandmother's recipe to bring back color, youthfulness and lustre—Everybody is using it again.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears, after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Famous stage beauties use it to bleach and bring that soft, clear, rosy-white complexion, because it doesn't irritate.

and gin. It is also alleged that earlier in the day they discovered White selling a bottle of liquor. The stock was forwarded to Fredericton and the owner notified to follow it today. The inspectors then left for St. Croix, about six miles outside of Fredericton, and made a raid on a place where a still was suspected. They found nothing there.

WOODSTOCK PERSONALS.

(Woodstock Press.)

Miss Georgie Starrett is spending a few days in Fredericton and St. John.

Miss Kathleen Lynett left on Tuesday for St. John and Halifax, where she will spend two weeks.

R. L. Daniel left on Wednesday for St. John, where he will enter the Military Hospital to undergo an operation for appendicitis.

Miss Mae Gillespie, who has been ill for some time from tuberculosis trouble, was taken to the sanatorium at East St. John last week for treatment.

My work played havoc with my system in general and before I knew it I was in a badly run-down condition. I seemed to lose all my energy. My appetite deserted me. I kept losing weight, and my color was fast disappearing. The worst of it all was that nothing seemed to bring any noticeable relief. I surely thought that I would have to give up the stage for a while, and rest it. It was then that I heard of Ironized Yeast.

"Ironized Yeast seemed to have a magical effect on me. It just seemed to fill me with new life—new energy! My weight and appetite both showed splendid increases, and the improvement in my complexion is just wonderful. I cannot describe the delight I feel because of my improvement, and will always be one of Ironized Yeast's most enthusiastic boosters."

Splendid Results Everywhere

Miss Steele's statement, remarkable as it may seem is not at all unusual, for from everywhere come equally surprising reports of the results brought by Ironized Yeast.

The reason for these results is simply this—Ironized Yeast is not only rich in all three essential vitamins, but in addition contains a type of yeast which is unequalled as a reconstructive agent—a yeast which is cultured expressly for medicinal purposes.

I'm So Tired

Fatigue is the result of poisons in the blood. So when the kidneys fail to purify the blood one of the first indications is unusual and persistent tired feelings and pains in the back.

Neglected kidney troubles lead to years of suffering from rheumatism or develop into such fatal ailments as Bright's disease.

The kidney action is promptly corrected by use of Dr. Chase's Kidney-Liver Pills—the best known regulator of kidneys, liver and bowels.

Mrs. John Ireland, R.R. No. 2, King, Ont., writes:

"I was a great sufferer from severe headaches and bilious spells. I tried a number of remedies without obtaining any benefit until I was advised to use Dr. Chase's Kidney-Liver Pills. These completely relieved me and made me feel like a new person. I am very grateful to Dr. Chase's medicines for what they have done for me, and you may use my letter for the benefit of others."

MOCCASIN DANCE.

"Well, we held that much postponed moccasin dance last evening, and I'm mighty glad it is over," said Hilton Belyea last evening. About 200 people turned out to dance on the smooth floor of the school-house. It was so smooth that several of the skaters present had to skate on it to roughen it up to enable the dancers to obtain a firm footing. All present enjoyed the novelty of the occasion and the fine music by the band.

At a meeting of the ratepayers of the East St. John school district last evening in the school-house, Alexander Robertson was chosen to fill a vacancy on the board of school trustees. Other routine business occupied the time. E. J. Cameron was chairman.

LOCAL NEWS

The 'Prentice Boys' Association held an enjoyable social evening in their hall in Guilford street, west end, last evening with about one hundred present. Dancing was conducted downstairs, while games and a short programme were furnished upstairs. Refreshments were served at the close.

Mr. and Mrs. Wilford Blakeney, of Havelock, recently received a letter from the president of the New York Canadian Club, telling of the burial of their daughter, Luda. She was buried at Cedar Grove cemetery, Long Island, N. Y. Among those who attended the funeral were Arthur Knowlson, T. Chambers Reid, Frederic Hudd and Fred K. MacDonald. The official death certificate was also enclosed, assigning accidental gas poisoning as the cause of death.

Members of the congregation of St. Andrew's church met last night in the church hall to discuss the matter of work for the young people of the congregation. The minister, Rev. F. S. Dowling, was in the chair. The nominating committee, which had been asked to name committees to be responsible for drawing up a programme for boys' work and a programme for girls' work, both reported progress and promised a full report next week. Matters of interest to the congregation were taken up.

The Duke of Rothesay Chapter of the I. O. D. E. is at present devoting its attention to the needs of the community in which it is established, and at its meeting yesterday afternoon plans for raising a war memorial were heartily endorsed.
