

K. OF C. OPEN FORUM

Captain A. J. Mulcahy, port warden, and J. L. Surue, commissioner of the workmen's compensation board, were the speakers yesterday afternoon at the open forum which is being conducted on Sunday afternoons by the Knights of Columbus in their home in Coburg street. Captain Mulcahy dealt in a graphic manner with some incidents of the late war, involving the work of German submarines off this coast. Mr. Surue spoke of the work being done by the board with which he is connected. Dr. J. B. Gonnell, deputy grand knight, presided.

LOCAL NEWS

A slight fire on the roof of a building at the corner of City Line and Tower streets, w. e., called out the west side apparatus at 11.15 o'clock Saturday morning in response to the alarm from box 84. It was quickly extinguished and no damage was done. The house is owned by Mrs. F. Hanson.

Mrs. McManus, convenor of the Red Cross committee for port work at Halifax, was an interested visitor to the Red Cross rooms in the Immigration building at West St. John yesterday, while the incoming passengers of the Metagama were being handled. Mrs. Lawrence, convenor of the local Red Cross committee, accompanied Mrs. McManus. Miss McDonald, who has been here in connection with the disaster and relief work, was also an interested visitor to the docks yesterday.

The annual mock trial of the U. N. B. Students was held Saturday night. The following took part:—Judge, L. G. Slipp; clerk, M. V. Cain; counsel for prosecution, H. F. G. Bridges and R. S. Hawkins; counsel for defence, D. R. Bishop and C. M. Burpee. The first session of the mock parliament will be held on Saturday night. The officials are Governor-General, M. V. Cain, premier, D. R. Bishop, and speaker, C. M. Burpee. The liberals were elected with fifty seats against the Conservatives' forty-four.

Instead of \$656 which he had expected as withheld working pay while in England, Arthur Cunningham of 228 St. James street, West St. John, on Saturday morning received a check from the department of militia and defence for \$1,890. He had been put to work in charge of a steam shovel while in England and promised extra pay at the rate of \$2.50 per day. Later an order-in-council was passed abolishing this work-

ing pay and it was not until the end of the war that it was repealed. Mr. Cunningham's claim is one of many that are being slowly adjusted.

The Tuxis group held their weekly convocation at the Y. M. C. A. on Saturday night and there was a good attendance from the various churches. The after-supper speaker was William McIntosh, who delighted those present with an informal talk on nature subjects. Later, athletic contests were held on the gymnasium floor.
