ANNIVERSARY OF YPRES BATTLE

Where 200,000 British Sold-
iers Died to Hold the Gate
to Calais.

Paris, July 31.—(Canadian Press).—
The anniversary of the opening of the
third battle of Ypres was marked on
Saturday by a pilgrimage to Ypres under
the auspices of the Ypres League, in
which Belgium, France and British
delegates participated, says a Reuter
despatch from Ypres. The British dele-
gation included the Earl of Ypres (Field
Marshal French), Lieut.-Gen. Sir Wm.
Pulteney, Major-Gen. Sir John Head-
lam, and several British ex-soldiers who
fought at Ypres.

Addressing the gathering, the Earl of
Ypres recalled that the British army oc-
cupied Ypres more than four years ago
and that 200,000 British soldiers were
killed there while holding the gate to
Calais and the channel ports.

CO-OPERATION OF CANADIAN AND U. S. BANKERS

American Association Has
Appointed a Committee on
Canadian Relations.

New York, July 31.—(Canadian Press).—
A committee on Canadian relations
has been appointed by President Mc-
Adams of the American Bankers Asso-
ciation, pursuant to a resolution of the
administrative committee of that organi-
zation, adopted as a result of its recent
visit to Montreal.

Conferences were held there with rep-
resentatives of the Canadian Bankers As-
sociation, with a view of bringing about
close co-operation between banking in the
U. S. and the Dominion.

The committee follows:—D. R. Forgan,
D. G. Wing, E. C. McDougall, F. W.
Blair and W. D. Vincent. It is expected
that a committee will also be appointed
by the Canadian Bankers.

GIRL STOWAWAYS WERE IN LIFEBOAT

New York Chums of Thirteen
on Board Majestic on Way
to England.

New York, July 31.—When the White
Star liner Majestic left for Southampton
on Saturday she carried two non-
paying passengers, thirteen-year-old
Katherine Fleming, thirteen-year-old
chums, of New York. Early yesterday
a radio telling of their discovery in one
of the Majestic's lifeboats was received
at the steamship company's office.

The vessel was so far at sea when the
girls made their presence known that
they will be carried to England and
back unless they can be transferred to
an eastbound boat in mid-ocean.

**FRENCH WANT
CONFERENCE BY
AUGUST 15.**

Paris, July 31.—The French govern-
ment urgently desires that the conference
on reparations between Premier Poin-
care and Lloyd George take place before
August 15.

This desire was conveyed to the British
government yesterday and was re-
newed by Count Saint Aulaire, French
ambassador at London, who called on the
Earl of Balfour, under instructions from
the French foreign office.

It is, in the opinion of Premier Poin-
care, greatly desirable that Belgium and
Italy be represented at the conference,
but that the invitations be issued by the
British government.

**AMUNDSEN'S POLAR
FLIGHT SAID TO BE
OFF TILL NEXT YEAR**

Nome, July 31.—Captain Amundsen
has abandoned his attempt to reach
Point Barrow in the Maud, his explora-
tion ship, and has transferred to the
schooner Holmes, according to wireless
messages here. Transferring to the
Holmes with Captain Amundsen were
Lieut. G. Omsdal, aviator, and one other
man whose name was not given. It is
understood that the plan to fly across
the North Pole has been abandoned until
next year.

FRANCE REFUSES

Germany is Given Ten Days
in Which to Announce She
Will Pay in Full.

Berlin, July 31.—France has rejected
Germany's request for a reduction in the
monthly payments on the debts con-
tracted by German nationals with allied
citizens, prior to the world war. The
French note gives the German govern-
ment ten days in which to signify that
full payments will be continued in ac-
cordance with the London agreement and
the decision of the allied clearing house
offices; otherwise certain fixed measures
will be applied automatically.

A serious view of the French reply is
taken here, especially as the note was
dispatched on the eve of the conference
of allied premiers in London. Germany
had asked that the clearing house pay-
ments be reduced from two million
pounds to five hundred thousand pounds
monthly.

RILEY NOW PLANNING A HIKE FOR OCTOBER

Toronto, July 31.—With an army of
8,000 hikers "General" Riley hopes to
march again to Ottawa at the beginning
of October. This he said, at a gather-
ing of some hundreds in Queens Park
on Saturday. He made an attack on the
King government and asserted that the
controlling power behind the government
was centred in New York.

ALL NIGHT ON STRANDED SHIP

Excursionists in Lachine Rap-
ids Likely to be Landed
This Afternoon.

Montreal, July 31.—The Canada
Steamship Lines' steamship Rapids
Prince, which struck a rocky ledge yester-
day afternoon while shooting the
Lachine Rapids, with more than 400
passengers, was still fast this morning.
Officials say she is in no danger and
that the work of transferring the ex-
cursionists via another ship to terra
firma, will start almost immediately.

This morning a relief ship
was dispatched to her with a cargo of break-
fasts for the passengers. Officials are
of the opinion that those on board will be
landed early this afternoon.

KARS, KINGS COUNTY NEWS

A Kars, Kings county correspondent
writes:—
"Rev. Mr. Hopkins preached his last
sermon at Beulah on July 23. The peo-
ple are sorry to have him leave but hope
soon to have another pastor. Hay is
progressing, with good weather. Mrs.
Hopkins and daughter and Mrs. Albert
Jones and daughter were in St. John over
Sunday.

Visiting Old Home.
Frederickton Gleaner.—Mrs. Sarah Pe-
ppers, who has been absent from this, her
native city, for about nine years, and
has been residing in Titusville, Florida,
near Palm Beach, with her son, Dr. Guy
Peppers, who has an extensive practice
there, arrived in the city yesterday and
is the guest of Mrs. James Hunter.

Accepts Position in New York.
Mrs. Sarah E. Spruell of Frederickton
has received word that her daughter,
Elizabeth, who went to New York over
a year ago, has completed her work in
the Mt. Sinai Training School for Nurses
and has accepted a position in the Wo-
men's Hospital, New York city.

Hunter-Smith.
At the residence of the officiating
clergyman, on July 27, Rev. G. D. Hud-
son united in marriage Miss Helen R.
Smith and Arthur M. Hunter of Lynn,
Mass. The bride's parents were form-
erly of St. John. Before returning to
Lynn Mr. and Mrs. Hunter will spend a
short honeymoon at Remford, the sum-
mer home of the bride's aunt, Mrs. Geo.
G. Kierstead.

A Chevrolet automobile was practi-
cally demolished yesterday at Hampton
Village when it was crashed into by a
Paige car from Mumford, Maine. The
accident occurred at the sharp turn near
Robertson's store, where neither driver
could see the other approaching. They
came upon each other suddenly, and it
is said, the Maine driver instinctively
kept to the right, as is the custom in
Maine, and crashed into the lighter car.
The Paige escaped with a demolished
mud-guard, a broken spring and a few
minor mishaps. Fortunately the cars
were traveling at a moderate rate of
speed and no one was hurt.
