LOCAL NEWS

WILL MEET THE MAYOR.
Hon. R. W. Wignore, minister of customs and excise, will meet the mayor this afternoon to deliver a memorandum from Hon. C. C. Ballantyne, minister of marine, on the matter of harbor commission.

FOREST FIRE OUT.
A forest fire which broke out at Little River and was in danger of spreading to city property burned itself out last evening, so Commissioner Jones announced today. He said that the wind changed and blew the fire back over the area already burned.

THE VEGETABLE CROP.
Reports from the surrounding country are to the effect that the vegetable crop will be light and the prices high this year on account of the drought. In a great many cases the seeds have not responded and a replanting has had little better results. In the Westfield Episcopal church yesterday prayers for rain were offered.

CITY EMPLOYMENT OFFICE.
The employment office which has been operated since last winter by John Brooks, the mayor's clerk, has been removed to the committee room on the ground floor of city hall. Cards announcing the change have been displayed in the city hall lobby. The new office will be open for applicants from nine to 10.30 each morning, and from two to three o'clock in the afternoons.

WANT HEAD TAX.
A movement is on foot in the parish of Simonds for the taxation of head tax for non-residents going into the parish to work. One of the councillors said today that the difficulty experienced when taxpayers of this description were put on the regular assessment roll was that, should they move away, it would interfere with the calculations, particularly in regard to schools.

THE HIGH SCHOOL.
The High School entrance examinations will be ended on Wednesday morning. The papers already written are in the hands of the examiners but will not be published until the middle of July. This year there are 300 candidates for entrance. The examinations in the St. John High School will end on Tuesday and closing exercises will be held on Thursday morning.

VETERAN'S CONVENTION.
The dominion convention of the G. W. V. A., which was to have been held on July 4, at Port Arthur, may be postponed until a later date, according to information received by the secretary of the local branch, but no definite word of postponement has been received. It has not been decided yet by the local branch whether or not delegates will be sent from here.

CHOIR OUTING.
On Saturday afternoon the choir of Main street Baptist church drove out to the summer camp of W. H. White at Fair Vale, where a very pleasant afternoon and evening were spent. The party drove to Fair Vale in a gaily decorated truck, kindly loaned for the occasion by Messrs. T. McAvity & Sons, Ltd. A feature of the outing was a game of ball between teams captained by Miss Ethel Parlee and Mrs. Lehigh Hunter. A home run made by Miss Parlee put her team in the lead, winning by a score of 7 to 6. After supper musical selections by Harry Dunn, Mrs. Archibald and others added much to make the outing enjoyable. About ten o'clock the party started on their return to the city with the feeling that all had had a time long to be remembered.

DECISION IN MATTER OF THE STREET RAILWAY

Reached by Company, is the Report, But Not Given Out Till Committee of Men is Met.

A meeting of the directors of the New Brunswick Power Company was held this morning, when a decision was reached regarding wages and working conditions. Later in the morning a meeting of all superintendents of the company was held. A committee of the employees' union arranged to meet the company this afternoon at four o'clock. The company did not think it advisable to give out any statements until after the men had been informed of their decision.

FAIR VALE IS ANXIOUS FOR ELECTRIC LIGHT

Another meeting of the residents of Fair Vale who are desirous of having the electric light lines extended as far as Roberts' Hotel, was held on Saturday evening at the residence of E. W. Long. As a result of the work of the residents within the last week enough applications for current to bring the total to more than sixty were handed in. The proposed extension will cover about one and a quarter miles.

The need of current in that district is so strongly felt that in the event of the New Brunswick Power Co. not giving, or the public utilities commission not ordering the service to be given, the residents are strongly in favor of forming an association which could deal directly with the hydro-electric power company when the line between St. John and Sussex has been established. The people have been greatly encouraged by the decision of the Nova Scotia public utilities commission ordering the Bridgetown Electric Co. to extend its lines for miles to serve twenty-three residences.

GATHERING FOR A CONVENTION OF BAPTISTS

Delegates were reaching the city today for a meeting of the Southern United Baptist Association of New Brunswick to be held in the Ludlow street Baptist church. More than seventy-five delegates will be present from districts outside the city. The Baptist denomination has been divided into three districts—northern, central and southern, and today's meeting marks the first of the southern division. It takes in the territory of Kings, Queens, Charlotte and St. John counties.

Provisional officers are D. C. Clark, moderator; Rev. S. S. Poole, secretary; Mrs. C. E. Byles is convener of the entertainment committee, and she is assisted by Mrs. George Gibbon, Mrs. Hazen Hamilton, Deacon John P. Ring and R. Hunter Parsons.

NOW BEYOND THE MILLION MARK

Federal Income Tax Collections in Province of New Brunswick.

Collections of federal income taxes for 1921 for the Province of New Brunswick have passed the \$1,000,000 mark, so N. P. McLeod, local inspector, said this morning. Remittances covering the instalment due on June 30 have already started to come in. He said that the making remittance must remember to include interest at six per cent. from April 30.

Besides the 1921 taxes, several payments of the 1920 assessments have been received recently, as the bills have been sent out from Ottawa within the last few months. The staff at the local office is still working under difficulties on account of cramped quarters.

RAIN NEEDED ALONG RIVER

Potatoes are in blossom at Public Landing, and a hill or two dug up revealed tubers of fairly good size. There is, however, great need of rain. Eyes turned to the sky late yesterday afternoon saw great activity, but no important results. All the clouds, east, west, north and south appeared to have a rendezvous at a point near the zenith, and to be in a hurry to get there. Diverse air currents at different heights moved flying columns of cloud from opposite directions, to meet overhead, and there was continuous and rapid movement as if armies were in motion. From the scenic standpoint it was wonderful, but out of it came only enough rain to produce about as much effect as a heavy dew. The earth is parched, and a very short crop, and grains and vegetables greatly need moisture.

Eighteen people boarded the Dream at the Landing this morning, and she already had quite a number of passengers, with others to be added at calls farther down the river. It was a dull morning, and the river like a mirror on the way to Indiantown. As the schools close this week there will be for the next two months great activity along the river. Many motor boats were up the Reach yesterday.

MISS MARY A. NANNARY DEAD

Was a Prominent School Teacher and Member of a Noted Family.

Miss Mary Nannary, a well-known and highly respected resident of this city, passed away this morning in the Mater Misericordiae Home after an illness of about eight weeks. She had been in failing health for some time and underwent operation in the St. John Infirmary, but it failed to improve her condition and death resulted.

Miss Nannary was a teacher in the city public schools for a period of thirty-nine years. She received her appointment in 1872, the first year of the present school system. Her first position was in the Masonic Hall School, West End, where she taught until 1880, when she retired for a short time. In 1881 she was re-appointed and taught in the La Tour school until 1911, when she was superannuated.

Dr. H. S. Bridges, superintendent of schools, in speaking of her today said that her death was very much regretted. He said that during a long period of service she had taught to the satisfaction of the school trustees and the parents of her children. "She was a faithful and conscientious teacher," he said, "and as a primary teacher had few equals throughout the city."

Miss Nannary was a member of a noted West St. John family, particularly prominent some years ago in the days of "Carleton." William and P. A. Nannary, her brothers, won success on the professional stage—success which was overshadowed by the ability they showed in the local amateur productions of their time. Those performances by bright young men of their day have often been referred to as of outstanding merit. William Nannary early removed to California and had a successful career. His brother, P. A., played on the American and Canadian stage and was in St. John as a member of a company which played in the Opera House some years ago. It was an occasion of happy reunions with many warm friends.

Miss Nannary is survived by two nieces, Mrs. W. R. Daily of San Francisco, and Genevieve Blinn of Los Angeles, who also won fame on the American stage and who also were here some years ago with the Daily Stock Company. Both are daughters of the late William and Annie Nannary of this city. There are also three nephews, Edward, who is well-known on the American stage, and James and Raymond of San Francisco. Miss Nannary was a lady of marked refinement of character and many excellent qualities. She numbered many friends who will be very sorry to learn of her death. Her funeral will be from the Home at 7 o'clock on Wednesday morning to the Church of the Assumption for high mass of requiem.

A. H. WETMORE IS THIRD MAN

At a conference held this morning between D. W. Leitch, vice-president of William Thomson Company, and John McKinnon, business agent of the International Longshoremen's Association, A. H. Wetmore was chosen as the third man to compose the board of arbitration to deal with a dispute which arose recently over the number of men to be employed in a gang. They will hold their first meeting tomorrow morning.

BURIED TODAY.

The funeral of Corinne Quinn took place this afternoon at 2.30 o'clock from her father's residence, 1 Park avenue, East St. John, to St. Joachim's church, Silver Falls, where burial services were conducted by Rev. C. P. Carleton. Interment took place in the new Catholic cemetery.

The Correct Furniture for the Dining Room

That critical degree of care and thought which has always characterized the selection of Everett's, is especially pronounced in the present extensive displays of dining room furniture.

From the least expensive suites which are within the price limitation of the modest income, to the most exquisite, every article of dining room furniture in the displays reflects that finesse of artistic conception which is so potential in the effective furnishing of the dining room.

The display is so comprehensive that every personal inclination may find its response, and the prices are all based on present manufacturing costs.
