THE EVENING TIMES AND STAR, ST. JOHN, N. B., FRIDAY, JANUARY 2, 1920

Elder Jensen Says:

I once asked a preacher of a popular sect if he believed in the Holy Ghost? "I certainly do," he responded quite testily. "Then, of course, you believe there are living prophets upon the earth in our time?" I added. "I do not," was his sharp reply. When I quoted him the words of Jesus concerning the Holy Ghost, "He Shall Show You Things to Come" (John, 16), my preacher friend went away sorrowful, for he had great possessions of dead creeds.

Without the Holy Ghost, "no man can say that Jesus is the Christ" (1 Cor. 12:3), and "the testimony of Jesus, which comes only through the Holy Ghost," is the spirit of prophecy" (Rev. 19:10).

The Church of Jesus Christ of Latter Day Saints teaches and practices the doctrine of the Holy Ghost Jesus taught. She affirms that the possession by a Church of prophetic power is the most infallible proof of her possession of the Holy Ghost. She has from the time of her organization enjoyed all the gifts of the spirit, tongues, revelation, inspiration and prophecy.

Twenty-eight years before the outbreak of the American Civil War our first prophet predicted that a war would commence at the "rebellion of South Carolina; that the Southern States would be divided against the Northern States and the war should terminate in the death and misery of many souls." The whole world knows that every detail of this prophecy became tragic history in the death struggle between the Southern and Northern States of the American Union. Over a million graves in the United States today attest the prophetic power of this prophet.

MANY CHILDREN ATTEND RALLIES

Sunday School Re-unions Carried Out Yesterday.

Nothing deterred by stormy weather, there were large gatherings at the annual New Year's day Sunday school rallies held yesterday, and the exercises and programmes were carried out with entire success. The Presbyterian and Congregational Sunday schools held their rally in St. Andrew's church in the morning, the Methodist Sunday schools in Centenary church in the morning and the Baptist Sunday schools in the German street church in the afternoon.

At the rally of Presbyterians and Congregationalists the children were led into the church by J. H. Murphy. Robert Reid acted as chairman and included among those taking part were Rev. F. S. Dowling, Rev. W. M. Townsend, A. W. Brooks, Mayor Hayes, J. B. Magee, Rev. Mr. Lang, Rev. H. L. Eisenor, Rev. W. Farquharson. The Congregational church was the winner of a banner for the largest percentage of enrollment, presented by Rev. Mr. MacKeigan. Greetings were exchanged with other school rallies.

The list of schools taking part was as follows: Knox, enrollment 190; St. Matthew's, enrollment 110; Fairville, enrollment, 50; Congregational, enrollment 87; St. David's, enrollment 84; St. Andrew's, enrollment 240.

The prize banner has been awarded as follows: 1914 to Congregational school, with 87 per cent.; 1915 to Courtenay Bay school, with 84.5 per cent.; 1916 to Courtenay Bay school, with 96.9 per cent.; 1917 to St. Matthew's school, with 100 per cent.; 1918 to Congregational school, with 83 per cent.; 1919 (no rally); 1920, Congregational school.

The Methodists.

E. E. Thomas presided at the rally of the Methodists in Centenary church. Music was furnished by an orchestra of which H. M. Brownfield was conductor and which was led by Morton L. Harrison. Miss Alice Hea presided at the organ. Among those participating in the programme were Rev. M. E. Connor, Rev. G. F. Dawson, J. E. Arthur, Miss Luella Brownfield, Miss Catherine Sheppard, Rev. J. Heine, Mayor Hayes and Rev. R. H. Pinkett. A presentation was made to Miss Elsie Speight of Brookville Sunday school for faithful attendance. She has not missed a Sunday in nine years. Greetings with rallies of other denominations were exchanged. The Methodist rally was a particularly successful event.

The Baptists.

The third annual rally of St. John and Fairville Sunday schools was attended by some 600 members in German street Methodist church with C. R. Wasson presiding. The programme given was much enjoyed and among those taking part were Rev. F. S. Poole, Mrs. G. W. Parker, Miss Lois Watters, R. H. Parsons, Rev. A. S. Bishop, F. S. Smith, Rev. D. Hutchinson, Rev. A. L. Tedford, Miss Hamilton, Mr. Mawlinney and some of the pupils from different schools who furnished choruses and songs. The programme afforded much pleasure.

Native of Bonshaw.

Charlottetown, P. E. I., Jan. 1.—Miss Agnes J. McNevin, of Boston, who was killed the Knight Mansion by Mrs. Mary C. Knight as a reward for her faithful services as maid for many years, is a native of Bonshaw (P. E. I.) Her legacy is worth \$250,000.

DEVELOPMENTS IN BROWN CASE

Prevost Again Taken Into Custody for Examination

Mrs. Vesler's Story Incriminates Him and Young Widow of Man Whose Bullet-Riddled Body Was Found in Auto.

Mount Clemens, Mich., Jan. 2.—Floyd Prevost, a former close friend of J. Stanley Brown, was again taken into custody for examination yesterday in connection with the death of Brown on Dec. 23. Prevost refused to answer questions, standing on his constitutional rights as he had in refusing to testify at the coroner's inquest. Neither would he discuss the case when confronted by Mrs. Vesler, who yesterday told the authorities a story incriminating Prevost and Mrs. Ruth Brown, the young widow.

Prosecutor Wilson last night declined to say whether he would ask for a warrant for Prevost. Such action would be taken, however, he said, if habeas corpus proceedings were instituted.

Beyond accusing Prevost of complicity in the killing of Brown, whose bullet-riddled body was found in his automobile on a country road near here, Mrs. Vesler added nothing to her version of the tragedy yesterday. So far she is the only person directly charged with Brown's death. Officials are quoted as saying they believe she was not responsible, but has knowledge that will aid them in clearing up the mystery. The hearing of Mrs. Vesler has been set for Saturday morning.

FELL SHORT IN THE LAST YEAR

Canada's Output in Coal and Other Minerals Below That of 1918.

Ottawa, Jan. 2.—The department of mines estimated the production of coal in Canada during 1919 at about 12,500,000 short tons, as compared with 14,997,926 tons in 1918. The production of the more important metals during 1919 is estimated as follows:

Gold, \$16,875,000 in value; silver, 13,500,000 ounces; copper, \$1,500,000 pounds; nickel, \$3,000,000 pounds; lead, \$3,000,000 pounds; zinc, \$8,000,000 pounds; pig iron, 920,000 short tons; steel and castings, 1,020,000 short tons.

The 1918 production was: Gold, \$14,463,689; silver, 21,383,979 pounds; copper, 118,769,434 pounds; nickel, 92,507,293 pounds; lead, 51,998,002 pounds; zinc, 32,683,175 pounds; pig iron, 1,129,453 short tons; steel ingots and castings, 1,373,708 short tons.

The total value of the mineral production in Canada during 1919 is estimated at \$167,000,000; in 1918, \$211,301,897.

SOME MINERS HAVE LEFT MINTO

Sydney, N. S., Jan. 2.—About fifteen or twenty of the striking miners at Minto, N. B., with their families, have been moved to the Bras d'Or mine by the United Mine Workers. After a conference between the United Mine Workers' representatives and Dominion Coal officials, the United Mine Workers say they will proceed to deal vigorously with the Minto situation, with the probable result that all the miners will be transported out of that district, unless some settlement is made by the company.

CONDEMNED EXTRACT HABIT PREVAILING IN THIS PROVINCE

Dorchester, N.B., Dec. 31.—The evil of drinking extracts as substitutes for the usual intoxicating beverages was condemned in resolutions adopted today at the semi-annual session of the Grand Division B. Sons of Temperance, and legislation to curb the practice was urged. The Grand Division voted to extend further support to Chief Inspector Wilson and his men in their campaign against the liquor traffic. Grand Worthy Patriarch Archie A. McLeod was in the chair.

A letter of condolence was sent to the relatives of Brother A. J. Armstrong, of St. John, and others.

The treasurer's report showed a balance of \$36.69 on hand.

ARTILLERY BALL A BRILLIANT AFFAIR

The main hall of the armory of New Year's eve presented a scene of striking contrast to those which were common during the last four years. The rush and bustle first of men stepping from civilian life into the ranks of the great khaki army and then coming back to change their uniforms for civilian attire again was replaced by a bright picture of splendor, a military ball given by Lieut.-Colonel B. R. Armstrong and the officers of the 3rd Regiment, Canadian Garrison Artillery.

The large hall was gaily decorated with flags and regimental crests and colors, while pieces of field artillery were placed in each corner of the room. Prominent among the guests were His Honor Lieut.-Governor William Pugsley, Chief Justice Sir Douglas Hazen, Lady Hazen, Premier and Mrs. Foster, His Worship Mayor Hayes and Mrs. Hayes, and three former commanders of the regiment, Judge Armstrong, Dr. W. W. White and Hon. J. B. M. Baxter.

There were more than 700 guests, including many returned officers and officers of the militia. Many were in dress uniform, while others wore mess uniforms or khaki, and with the brilliant costumes of the ladies the whole made a very pleasing spectacle. Jones' orchestra furnished a splendid programme of music for a delightful dance programme. Supper was served at midnight, following the singing of the national anthem and Auld Lang Syne.

The guests were received Lieut.-Col. Armstrong and Mrs. Armstrong, Colonel W. H. Harrison and Mrs. Skinner, wife of Major Skinner.

The catering was done by the Sign of the Lantern management.

The committee in charge of the dance was as follows: Major W. A. Harrison, M.C.; Major W. Vassie, M.C.; Captain R. St. C. Hayes, M.C.; Capt. E. M. Slader, Lieut.-Col. B. R. Armstrong, Lieut.-Col. F. C. Magee, D.S.O.; Lieut.-Col. W. H. Harrison, D.S.O.; Major D. V. White, M.C.; Major N. P. McLeod, M.S.; Lieut. S. A. Thomas, Major L. T. Allan, Lieut. R. K. Jones, Major Colin Mackay, Lieut. C. S. Bennett.

C. P. R. TRAIN HITS FORD AUTO AND THREE ARE KILLED

Montreal, Jan. 2.—On New Year's eve three men in a Ford car were struck by the truck crossing at Notre Dame de Grace, by the C. P. R. Imperial Limited. E. Desjardins, twenty-three years old, and his brother, Paul, aged twenty-five years, were killed instantly and Adelard Menard, twenty-four years of age, died this morning without recovering consciousness. The car was destroyed.

The men were employed as chauffeurs by the Remy and were going to Strathmore to visit relatives.

3-INCH STRIP OF LAND HOLDS UP SALE IN N. Y.

New York, Jan. 2.—A 3-inch strip of land fifty feet long, owned by two infants, is holding up a sale of real estate in the Bronx, according to a petition presented to the supreme court by the minors' guardian asking permission to sell the land.

The land, which is entirely enclosed by neighboring property, having no frontage on any street, resulted from a surplus in having out in 1853 the village of Grove Hill now a part of New York city.

Unless the court permits the sale, the petition explaining a neighboring property holder would apply for a partition of the strip, which would result in the infants being given an inch and a half of land apiece. This, it was stated, would make their land worthless.

GERMAN COMES BACK

London, Jan. 2.—London people are wanting to learn German again. That is to say, there is a demand in the L. C. C. evening schools which justifies the provision of courses in German.

French is most popular as a foreign language to learn, though Russian is being taught for, too.

Between 70,000 and 80,000 people are attending the L. C. C. evening classes. "The great demand," said an official, "is for professional education—railway administration, accountancy, insurance, banking, surveying, and so on.

"People want to study also provisions and drugs as industries, shipping and transport, and the drapery and soft goods trades."

COW VANQUISHES BEAR

Olean, N. Y., Jan. 2.—Domestic won over the wild in a battle between a big black bear and a cow in the Olean of George Hollenby, of the Promised Land road, just east of here. The bear tried to carry off a calf, and the cow went to the rescue of her young. Although severely clawed and one horn torn away, she carried the fight to the bear in such a style that Bruin was forced to give up. The calf was severely mauled. Bear and cow fought a bloody battle. The cow broke away from her fastenings to reach the wild animal, which was picking on the calf in another part of the barn.

How to Cure Warts

Tunbridge Wells, Eng., Jan. 2.—A 90-year-old man named Farnes, whose elder daughter is sixty-three and who has thirty grand and great-grandchildren, has the reputation for miles around of being able to cure warts and other disfigurements. Asked how he effected the cures, he replied: "I'm not going to tell you. All I will say is that I touch the spot and say, Hi, ho, presto! And then they vanish."
