AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a scrofulous taint, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with the sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was induced to read in the Gospel Messenger that you had prepared an alterative sarsaparilla. As I knew from your reputation that any thing you made must be good, I sent to Cincinnati and got it, and used it till it cured me. I took three bottles in all, and these, at a cost of a trifle over a dollar, have cured almost three dollars. New and healthy skin is now growing to form under the scabs which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you that I hold you to be one of the agencies of the age, and remain ever gratefully Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Wallis writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the judicious use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas*, on the face of a child, which, he says, yielded to the same treatment as if by constraint.

Bronchocele, Goitre or Swelled Neck.

Zenobia Stewart, Paper-I. Texas, writes: "I have both of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Chastaing, of New York City, writes: "I must cheerfully comply with the request of your agent in stating I have found your Sarsaparilla a most excellent alterative to the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the scrofulous diathesis. I have cured many incipient cases of Leucorrhœa by it, and in one where the complaint was caused by *ulceration of the uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for those female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "My daughter was troubled with *Uterine Ulceration*, one of the females in my family which had denied all the remedies we could employ, nor at length been considered cured by your Extract of Sarsaparilla. Our physicians thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before resorting to it, and it proved effectual. After taking your remedy eight weeks my daughter was entirely restored."

Syphilis and Mercurial Disease.

NEW ORLEANS, 24th August, 1859.

Dr. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Mercurial and Syphilitic Diseases*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in the throat and the ulceration had eaten away a considerable part of it, so that I believe the disease would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla, the ulcers healed, and he is well again—but of course, without some disfiguration to his face. A man who had been treated for the same disorder by mercury was suffering from this poison in his bones. They had become sensitive to the weather, that on a damp day she suffered excruciating pain in her bones and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 4th July, 1859.

Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. BREAM.

Jules T. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me, and I have been a broken-down man for some years, from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia

Many remarkable cures of these affections have been made by the stimulative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

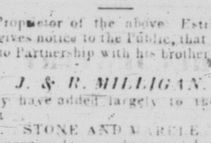
A PRINTING OFFICE FOR $10!

The Press for the People! Every Man his own Printer!



LOWE'S PATENT

PORTABLE PRINTING PRESS.

A Silver Medal

AWARDED TO THE Lowe Press Company. Boston.

by the American Institute, 1857.

This wonderful invention was patented in 1858 by Mr. Lowe, since which time many valuable improvements have been effected upon it, no pains or expense having been spared to make the Press what it now universally regarded to be—without a rival for CHEAPNESS, SIMPLICITY, DURABILITY, AND EFFICIENCY! A distinguishing feature of this Press—and one possessed by no other—is that type may be placed upon any part of the bed, and receive a perfect impression. It is well adapted to all kinds of Printing, and has no superior as a Letter-Copying Press. It does not easily get out of order, and a boy of ten years can work the largest size with ease, and at a rate of 500 impressions an hour, which is about the average rate.

Persons living in country places where there are no printing offices near will find one of these presses a profitable investment, as there is a large profit on the printing of *Circulars, Business and Visiting Cards, Bill-Heads, Handbills, &c, &c.*

Those who wish to learn a good trade, and at the same time be filling up money—those who wish to complete their education (for who so intelligent as the printer?)—merchants who wish to advertise their business and at the same time keep their clerks busy—professional men who find time hang heavy upon their hands—printers who wish a fast, cheap, and reliable job press—in fact, all who want to improve their condition, will find it invaluable.

Printed directions, giving all the particulars as to working the press, with information in regard to printing generally, setting types, &c., will accompany every Press, and a Circular, in pamphlet form, containing other information in regard to the press, will be sent on application to any address without charge.

All those who have our presses with the old-fashioned wooden roller can have them exchanged for those with metal ones, with the other improvements.

Our presses may be exchanged at any time during twelve months, and other articles sold by us, if not satisfactory, may be returned within thirty days.

All kinds of printing material furnished to order at manufacturer's prices. Electrotyping, Stereotyping, and Wood Engraving executed lower than at any other place in the country.
