

do the work of introducing new members to the lodge, this would probably tide over her difficulties.

The Past Chancellors of this jurisdiction have by unanimous choice nominated Bro. Hugh Peel, of Ontario Lodge, for the office of Deputy Grand Chancellor for the ensuing term, and I have much pleasure in recommending his appointment.

All of which is respectfully submitted,

Yours in F. C. and B.,

A. BOSWORTH ARMSTRONG,

Dear Sir and Bro.,—In compliance with your request I beg to submit my report on the state of the order in District No 2. Red Cross, No. 3, continues to hold its own and has made a slight increase in membership. The new officers are active and energetic and no doubt with the assistance of the members, will materially increase their membership during the coming year. Bismarck Lodge, No. 31, is getting along in its usual quiet way, and although there have not been many initiations it is holding its own. After the first of July, they will meet weekly, instead of twice a month as they have been doing, which is a move in the right direction. It is very pleasing to me to say for this lodge that the officers and members are working together in harmony and doing all they possibly can to increase the membership.

At a meeting of Past Chancellors, held on Monday, June 10th, Bro. L. E. Hatzfeld was unanimously recommended for the position of D. G. C. for this District, for the ensuing year, and I heartily endorse the selection.

I have the honor to be,

Yours in F. C. and B.,

JOHN BURNS,  
*D.G.C. District No. 2.*

Dear Sir and Bro.,—In compliance with your request I beg to submit my official report for the past year. Pythianism is growing slowly but steadily in London. I have visited each lodge frequently unofficially and gave them all the support and encouragement in my power.
