Had a Very Bad Attack OF Bowel Complaint IT WAS CURED BY DR. FOWLER'S EXTRACT OF WILD STRAWBERRY. Any one suffering from bowel complaints such as diarrhoea, dysentery, colic, cramps and pain in the stomach, summer complaint, etc., will find that Dr. Fowler's Extract of Wild Strawberry will give quick and permanent relief than any other remedy on the market today. This old tried and proven medicine has been used for the past 74 years. You don't experiment when you buy it. Surely the test of time proves this. Dr. Daniel Hartwick, Mountain Grove, Ont., writes: "I used Dr. Fowler's Extract of Wild Strawberry and have found that it is a good remedy. When my little girl was 2 1/2 years old she had a very bad attack of bowel complaint. Nothing prescribed by the doctor seemed to do her any good. She got worse, until we thought we would lose her. I got a bottle of Dr. Fowler's, and she soon found relief. Every one who has children should not be without it in their home. Price 35 cents a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

Alkali in Shampoos Bad for Washing Hair. If you want to keep your hair looking its best, be careful what you wash it with. Don't use prepared shampoos or anything else that contains too much alkali. This dries the scalp, makes the hair brittle, and ruins it. The best thing for steady use is just ordinary milled coconut oil which is pure and preservative, and is better than anything else you can use. One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply misten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage. You can get milled coconut oil at any pharmacy. It's very cheap, and a few ounces will supply every member of the family for months.
