—Free for All Will be the Feature.

Special to The Standard.  
Sussex, Aug. 1.—The races, which were to have been held today at the Sussex driving park had to be called off on account of the inclement state of the weather. The races scheduled for tomorrow, Saturday, will draw a great crowd if the weather is fine. The free for all should be a big drawing card with such horses entered as White Socks, Fern Hill, Prince Rupert, Peter Parson and others of the speedy ones. There will be two other events beside the free for all and the races will be called on at 2:30 o'clock.

## Players' Shares In World's Series

Spoils Will be Split Three Ways — New Plan Announced by Commission.

Cincinnati, Ohio, Aug. 1.—The National Commission has announced that the club members of both the National and American leagues had voted favorably on a new plan for distribution of the players' shares in the world's series, whereby the players of the first three teams in each league will participate in the division of the spoils. Sixty per cent. of the world series receipts for the first four games will go into a pool which may be augmented by fifty per cent. of the players' share of any inter-city games played between the team finishing second and third in both leagues. Seventy-five per cent. of this pool will go to the teams participating in the world's series, sixty per cent. of this to the winner and forty per cent. to the loser. The remaining twenty-five per cent. of the pool will be apportioned between the second and third teams in each major league, sixty per cent. to the winner and forty per cent. to the loser. Fifty per cent. of the players' share of the receipts of all post-season games between the second and third teams in the National and American leagues shall be divided between the participants, sixty per cent. to the winner and forty per cent. to the loser. The other fifty per cent. of the players' share goes into the big pool. Players taking part in the world's series and post-season games must have been under contract to the club with which they play on August 31 previous to the series.

## RODE FORTY WINNERS.

LAVERNE FATOR  
The event of the day at the Empire City Racing Association's summer meeting at New York was the sale of a jockey just out of the apprentice class for \$15,000. The buyer was Samuel Q. Hildreth, owner and trainer of Purchase, a colt and other cracks; the seller, Stewart Polk, of Billings, Mont., and the lad that changed hands, Laverne Fator, who was not yet eighteen years old until August 21, and who hails from Twin Falls, Idaho.

## BOXING COMMISSION.

The Toronto Mail and Empire editorially endorses Mayor Church's suggestion for a boxing commission for Toronto and suggests the names of Messrs. Franklin Elmore, Francis Nelson and Tom Flanagan as competent men for positions on the board. The article adds: "Such a commission empowered to grant boxing permits and to refuse them in cases where the proposed boxers are not considered properly matched or capable of giving a creditable performance or whenever any suspicion of profiteering, grafting or double-dealing of the part of the promoters exists would put the old English sport of boxing on a firm footing, and rescue it from the evil associations which have long helped to debase it."

## JENNINGS SUSPENDED.

Boston, August 1.—Notice of his indefinite suspension was received by Manager Hugh Jennings of the Detroit Americans before the Tigers left this city for New York last night. This action by President Johnson, of the American League, was a result of an argument between Jennings and Umpire Moriarty during the double-header here Wednesday.

## LITTLE BITS OF SPORT CHATTER

The sports under the auspices of the Y. M. C. I. will take place this afternoon at Moosepath. This is the first big meet to be held here since the war, and judging from the interest shown, there should be good competitions in all the events.

The Carpenter-Becket heavy weight bout appears to be indefinitely postponed. The promoter has had difficulty in securing a proper place for the fight, and the French authorities seem reluctant to allow Carpenter to leave France before the first of the year. The promoter will try to make some arrangements with the French authorities to release Carpenter for the bout.

It is expected that racing in Montreal will start early this month. It is expected that a string of American horses will be taken to Montreal for the races. It is understood that all the half-mile tracks about Montreal will be in operation in the next few weeks.

Saratoga is full of followers of the racing game. The best stables in America are now quartered there and some of the biggest purses ever offered will be up for competition. Saratoga is to America what Ascot is to England, a convention point for all that is fashionable in the social line as well as in horse racing.

Bat Masterson, of the New York Telegraph, has been an active fighter for the past thirty years and has been in every battle of any prominence, so when he utters an earnest his murmurings have a ring of authority. He has lately painted American sport writers for their readiness to call the English Referee Corri for giving him the decision over Pat Moore. English papers just to hand give Moore great credit for his fight, but declare his fouling lost him the verdict.

Jack Britton will defend the welterweight boxing championship at Canton, Ohio, against Jack Malone, St. Paul. Signed articles calling for a 12-round bout at League Park have been received. Malone is the speed marvel who performed at Toledo in one of the preliminaries to the Leapey-Willard fight, and showed remarkable cleverness both with his hands and his feet.

Wilfrid Vian is going to sell his racing establishment. The Canadian horseman, who owns such splendid animals as Westy Hogan, Omar Khayyam and others, is going to live in Paris. It is possible that his colors will be seen at Longchamps and Autel as well as the English tracks next year.

## THE FLAPPER AND THE WILLORY YOUTH

Stout Commercial Travellers Are Generally Happy, But One Who Arrived Thursday Paid His Respects to the Girls and Boys.

"This is the day of the flapper and the willory youth," said a stout commercial traveller Thursday night, as he trudged up King street, jodging the groups of people who persist in holding their sessions in the middle of the sidewalk.

Asked for an explanation, he had less of them. He had been forced to stay in the smoker all the way from Moncton, because giddy girls and effeminate youths persisted in crabbing all the seats, turning them visa-vis and making two do the work of one. After being bumped like a kipper in the smoking compartment of the car, he thought a walk to the hotel would be the proper thing, but all the way up Mill, Doug and King street he had to dodge groups of half-grown boys and girls who were walking four and five abreast, and then skirt to the gutter to avoid a fairly reunion on the public pavement.

"Boys will be boys and girls will be girls," he signed, "but I think a lot of the girls are taking the place of boys, especially those I meet on Mill and Doug streets every time I come to the city."

## TRADE WITH ARGENTINE.

B. S. Webb, Canadian Trade Commissioner in Argentina, who has been sent to the maritime provinces by the Department of Trade and Commerce to assist manufacturers in these provinces to develop the trade opportunities which await them in the Argentine, left yesterday for St. Stephen to confer with exporters in that town. Whether it has been lack of transportation facilities or other causes, Mr. Webb said his Buenos Ayres office had received enquiries from but two St. John manufacturers. With the increased facilities for shipment which Mr. Webb has been instrumental in promoting, it is expected that Canadian manufacturers will make a stronger bid for business in the South American markets.

Mr. Webb visited Upper Canadian cities before coming to the maritime provinces and in Hamilton alone he found sixty requests awaiting him for conferences with the manufacturers of that city. Mr. Webb will return to St. John today and will be at the disposal of St. John manufacturers, through the local Board of Trade office, all day Monday.

## U. S. GOVERNMENT BEGINS ACTION TO RELIEVE THE H. C. L.

Senate and House Get Busy and Order Investigation into Cause of Existing Price Levels — Atty General to Act.

Washington, July 31.—Governmental machinery was set in motion today in response to demands from the public that some official action be taken to relieve the high cost of living.

Prices as they affect the average citizen, assumed in first place interest in the capital. At the White House President Wilson was said to be given "deep and very thoughtful consideration" to problems presented to him and the railroad administration by members of the railroad brotherhoods, who represented that prices would have to come down or wages go up, if social unrest was not to develop into upheaval.

In the Senate and House the situation gave rise to several resolutions to investigate the cause of existing price levels, another to reduce the volume of currency in circulation as a means of deflating prices, one to request the Attorney-General to stop speculation in foods on exchanges, and another to sell this year's wheat crop at market prices, instead of at the government guarantee, the difference to be made up by the government.

## MANY DAMAGE SUITS.

A number of damage suits are pending in New Brunswick courts. Writes have recently been issued as follows: Colonial Ice Company against Mary Bourgeois, Moncton. Viola Davis against the City of St. John. John and Ellen McDonald against Patrick G.H. Nelson. Amount claimed \$2,580. Archie Speight against P. M. Avey and Sons. J. H. Baxter against E. C. Morrell. R. C. Tait against Royal Mail Steam Packet Company. Amount claimed, \$3,867. Hannah Bryant against P. M. Stuart, Pennfield. Andrew Black against Hamilton Yeomans, Sussex.

The claim of Miss Davis against the city is for injuries sustained through a fall on an icy sidewalk on Main street on December last. Kenneth W. Wilson, who is acting for Miss Davis, submits that the accident was due to an overflow of water from Fort Howe. The city denies responsibility and will contest the claim.

## IS SOME CLUBBER.

JOE JACKSON  
Joe Jackson, the hard hitting outfielder of the Cubs, is going along in great shape right now, and his trusty bat is driving in many runs for Kid Gleason's gang of white hosed players. Joe has always been a lusty wallower and his hits now are coming in the right time.
