

Board of Trade Council Meeting

Report of Harbor and Shipping Committee Received— Embargo Against Canadian Freight at Niagara Discussed and Resolution Passed.

In the absence from the city of President Emerson, Vice-president Burditt occupied the chair at the session of the Board of Trade Council at noon yesterday.

The first business was the presentation of the report of the Harbor and Shipping Committee, which covered the conference with the city, shipping and railway interests with respect to much urgent port needs as the extension of Negro Point breakwater, increases of conveyor equipment on government piers and the establishment of wireless direction-finding stations in the Bay; also recent conferences at Ottawa urging the above works and increased C. N. R. wharf and railway extensions here, and a brief report on the inspection of the harbor which was recently made by two parliamentary representatives.

The report was adopted and the thanks of the committee were extended to Mr. Wigmore, M. P., for assistance rendered the Ottawa delegates, to Dr. A. P. Barnhill for his active championship of St. John and New Brunswick railway interests, and to Mr. Ledwith for his kindness in placing a steamer at the disposal of the harbor committee on Saturday last.

Mr. Wilmore further reported with respect to calls the delegates made upon Vice-president Grant Hall, of the C. P. R., the Montreal Board of Trade and Mr. Bennell, secretary of the harbor commission.

The secretary reported that the Commercial Club was co-operating with the board in the address to be delivered in the G. W. V. A. hall by Prof. Robertson on February 12th.

The matter of a further reference to the government on the matter of the business profits tax was referred to the legislation committee.

The secretary was authorized to become a member of the American Association of Port Authorities, an international body.

A resolution recommended to be submitted to the Imperial Congress of Chambers of Commerce of the Empire at its Toronto meeting was read by the secretary and approved.

The publicity committee was authorized to seek co-operation of city organizations in the formulating of a comprehensive propaganda for the city covering the whole of Canada.

A suggestion with respect to the reservation of the mill-pond site on the West Side until the matter of the disposition of the harbor had been determined was referred to the harbor committee to take up with the city authorities.

The embargo against Canadian freight at Niagara was brought up and a resolution was passed, in which it was pointed out that this condition emphasized very forcibly the need for the early development of the winter ports of Eastern Canada and for the supplying at the earliest possible period of additional railway trackwork to these ports so that Canadian exporters and importers might have ample opportunities for the handling of their traffic on Canadian soil in winter as

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody will Know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get the famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

\$25.00 FOR A LETTER

CAN YOU WRITE ONE? Thirteen Prizes to be Awarded in a Letter Writing Competition.

Some years ago the Dr. Williams' Medicine Co., of Brockville, Ont., offered a series of prizes to residents of the Maritime Provinces for the best letters describing cures wrought by the use of Dr. Williams' Pink Pills for Pale People. Hundreds of letters were submitted in this competition, and yet there must have been thousands of other users of the pills who did not avail themselves of the opportunity to win a prize. To all these another letter writing competition is offered. Thousands of cures through the use of Dr. Williams' Pink Pills have never been reported. These will furnish the material for the letter to be written in this contest. There is no demand upon the imagination; every letter must deal with facts and facts only.

THE PRIZES:
The Dr. Williams' Medicine Co., of Brockville, Ont., will award a prize of \$25.00 for the best letter received on or before the 28th day of February, 1920, from residents of these provinces on the subject: "Why I Recommend Dr. Williams' Pink Pills." A prize of \$10.00 will be awarded for the second best letter received a prize of \$5.00 for the third best letter and ten prizes of \$2.00 each for the next best ten letters.

THE CONDITIONS:
The cure or benefit from the use of Dr. Williams' Pink Pills described in the letter may be in the writer's own case, or one that has come under his or her personal observation.

More than one cure may be described in the letter, but every statement must be literally and absolutely true.

Every letter must be signed by the full name and correct address of the person sending it. It describes the cure of some person other than the writer of the letter, it must also be signed by the person whose cure is described as a guarantee of the truth of the statement made.

The writer of each letter must state the name and date of the paper in which he or she saw this announcement.

Fine writing will not win the prize unless you have a good case to describe. The strength of the recommendation and not the style of the letter will be the basis of the award. It is understood that The Dr. Williams' Medicine Co. shall have the right to publish any letter entered in this contest if they desire to do so whether it wins a prize or not.

The contest will close on February 28th, 1920, and the prizes will be awarded as soon as possible thereafter. Do not delay. If you know of a cure write your letter NOW. Observe the above conditions carefully or your letter may be thrown out.

Address all letters as follows:
The Dr. Williams' Medicine Co., Brockville, Ont., Letter Contest Department.
