Echoes From The New York Dog Show

Recent Westminster Kennel Club Show at Madison Square Garden is Reviewed

In the recent Westminster Kennel Club show held in Madison Square Garden, the biggest event of the year in America, brought out some unexpected surprises and upset what seemed to be a grudge against that "little sporting dog" the cocker spaniel.

That crown of fame, "Best in the Show" at New York is the breeder's one ambition when exhibiting at the Westminster show and this laurel was won by W. T. Payne of the Midkiff Kennels, Kingston, Penn., and won by his own bred cocker "Midkiff Sooty".

It is a remarkable coincidence that the reserve winner for this high honor was the former reserve winner, or second best, the imported Pekingese Champion Phantom of Archcroft, and all on two former occasions Charles Hutton chose this boy Peking as his choice for best in the show, he being one of the variety class judges.

One of the Alredales exhibited and well known here, Norman McKenzie's "Pat. Ch. Pagan Maxim," was second in the open class and reserve winner in dog class. J. Russell of the Canadian Kennel Club, Toronto, won prize money in the Puppy classes, his "Cliff" being the best of "Clay Cliff Variety," both taking second prizes in their classes.

Looking over the classes in wire breeds, Messrs. Strachan and Lepine winning money. J. F. Strachan's "Ormsby Matagana," a new one, got two seconds at this Garden show with his kennel name "Ormsby Showball" fourth in limit dogs.

Alfred Lepine of Malden Centre, Montreal, exhibited some new stuff; one his "Malden Ducky Polly" was awarded three seconds and two thirds, which was good going for a try-out.

A new exhibitor and winner appeared among the open classes in dog and bitch, C. L. Gilliland. His "Clifford" bitch went to his Aberfoyle Trovada, Tid Bk.

"Ch. Frigo's Hill Twohorns" was third in open dog class, and J. F. Strachan's "Homeless Hooter" fourth.

"Ch. Ridgeview Dark Boy" was the best wire shown there with "two of his eye."

Irish Setter honors went to the Linmore kennel with "Ch. Linmore Freedom" best dog, and "Ch. Linmore Deirdre" best bitch.

While the New York dog show did not have as large an entry as other years, it was well reported that type and quality was much superior than any previous show, and that Canadian exhibitors are well up in honors in the popular breeds.

Charlottetown And Sussex Are Tie

Kings County Team Won from Sackville—Moncton Team Blacklisted

Special to The Standard
Sackville, N. B., Feb. 17.—A large audience witnessed Sussex trim the home team here this evening in the Eastern League series and a result Sussex is now tie with the Charlottetown team and there is talk of a play-off at Sackville at an early date.

The game tonight was a thriller and the second half the teams tied four all.

In the third period the teams again tied each having five scores to their credit but by hard work and fast play Moncton has been blacklisted and its management has withdrawn from the league.

W. S. Hay, President of the Maritime Amateur Hockey League sent a letter to Manager Humphrey of the Neptune team, Moncton, stating that he had been advised by Sackville that Moncton failed to appear on Sackville ice on February 10th and the president further stated that unless \$100 is forwarded to the secretary of the league as a forfeit Moncton will be blacklisted from further participation in the league and further Charlottetown has been notified to this effect.

Moncton refused to pay and is therefore "blacklisted."

Chatham Retains The Silverware

In Annual Curling Match for Highland Society Cup Newcastle Lost, 116 to 91.

Chatham, N. B., Feb. 16.—The curling match between Chatham and Newcastle for possession of the Highland Society cup was played this afternoon and evening, four local rinks playing at Newcastle and four Newcastle rinks playing here. The games were all closely contested and interesting, and the scores, with one exception, very close.

At the conclusion of the afternoon play Chatham led by 16 points, and by winning three out of the four evening games, increased the majority by 11 points, retaining the coveted silverware by a margin of 27 points. The skips and scores were as follows:

St. Dunstons Tied With Junior Abbies

Score at Charlottetown Was Three All—Fast Hockey Witnessed by Big Crowd

Charlottetown, P.E.I., Feb. 17.—Before a record crowd which taxed the capacity of the Charlottetown arena here last evening the St. Dunstons' red and white collection of stick handlers, and the Junior Abbies played to a tie in the third game of the City League, the final score being 3 to 3.

After the game there was a discussion as to a play off to decide the winners, but it had been decided at the starting of the league that games were not to be played under the Eastern Amateur rules, therefore the game stands as it was. Lapointe, the fast defence man of the red and white, showed up well last evening and helped materially in capturing his team in a mastery fashion. Perhaps Doucet, of the red and white colors, played the most brilliant game of the evening, his several individual rushes through the defence line of the Abbies and goal he scored, being a big asset for his side.

Lafontaine brothers and Aylward, with the assistance of Duffy, played a fine game on the forward line. MacAuley in the nets did some great stopping for his team, while Power, for the Abbies, was equally effective in warding off several difficult shots which would have counted as goals. Prosser, of the red and white, for the Abbies, did all in their power to "bring home the bacon" for their team, and it was evident that their playing resulted in netting the three goals.

Although this game resulted in a tie the red and white boys are still leading the league by a margin of one game.

Intermediate League.
In the St. Dunstons' Intermediate league here this morning the Champions and "Domesticians" played off in the college rink for the league leadership and ended in a win for the former by a score of 2 to 0. Moran, McCurdy, Gellinas and Sullivan were the bright lights of the game, and it is due to their efforts that the Champions are now resting at the head of the league. Potvin, the starward goaler of the winners showed up well on his first appearance in the nets, and was most successful in keeping several well played shots from the Champions out of the string to count tallies for the opponents. McDonald, Connolly and Johnston put up a good fight, but they had not the assistance so far failed in their efforts to score.

H. J. Osborne, of St. John, is managing the Champions and with the able assistance of Captain Sullivan there is no doubt but that the Champions will capture the league pennant.

Professionals At Lake Placid Today
Lake Placid, N. Y., Feb. 17.—Virtually all the professional ice skaters on the continent, brought together for the first time in an event of this kind, will appear in the American professional speed skating championships which opens here tomorrow and continue through Saturday.

The professional programme includes six events, the 200 yards and 140 yards dash, the half mile, mile, two and three mile races.

Marysville Was Given Surprise

Team from St. John Doubled the Score on the N. B. Leaguers at Fredericton

Special to The Standard.
Fredericton, Feb. 17.—The St. John Hockey Club won from the Marysville team of the New Brunswick Hockey League here tonight by a score of six to three, and despite the fact that the St. John team doubled the score on Marysville the game was fast and interesting.

Great credit must be given to the St. John players when it is known that they are not considered in any league, and only take chances of practice on the free open air rinks in St. John. Expenses were made for the Marysville team because one regular player was not present and another who played had been ill, but in spite of such a "terrible" handicap, the league team who has been in training all winter looking for honors were defeated by a sextette of non-leagueurs.

The visitors played an aggressive game from the start, and instead of being as easy a proposition as the Marysville team evidently expected, they assumed the lead at the outset and led at the end of the first period by a score of 2 to 1. Marysville evaded up in the second period, which ended with the count 3 to 3, so that it was the last period in which St. John really drew out in front and won.

Barney Mooney, on the defence and Boudreau, the youthful centre, ice player, were the stars of the St. John team, and provided most of their strength in attack, while Mooney was prominent in the defensive work as well. Boudreau, however, looked

for all the world like an exceptionally good hockey prospect; he lacks something in weight but otherwise he's got fastest skates and best stick handlers seen in action here this year. He also seemed to have all the inside stuff of a really valuable player, and the last two goals of the game which he scored were both the result of his individual skill.

Sandy Bishop refereed the game and kept the play well in hand.
The Line-up:
The team lined up as follows:
St. John Goal Marysville
Fraser Defence Peasey
J. MacGowan M. Wade
B. Mooney Cover Point E. Wade
Centre
Boudreau Left Wing J. Wade
L. MacGowan Right Wing C. Wade
Gilbert Right Wing Harrison
Callaghan Spare C. Miller

The Scoring
First Period—1. Marysville, C. Wade, 5 mins.; 2. St. John, Gilbert, 14 mins.; 3. St. John, Gilbert, 30 mins.
Second Period—4. Marysville, C. Wade, 2 mins.; 5. Marysville, L. Wade, 12 mins.; 6. St. John, L. MacGowan, 5 mins.
Third Period—7. St. John, Mooney, 3 mins.; 8. St. John, Boudreau, 1 min.; 9. St. John, Boudreau, 8 mins.

The Penalties
St. John—Boudreau, 3 mins.; Mooney, 3 mins.; Boudreau, 3 mins.; Marysville—L. Wade, 3 mins.; C. Wade, 3 mins.; E. Wade, 3 mins.; C. Wade, 3 mins.; J. Wade, 3 mins.
Totals—St. John, 9 minutes; Marysville 15 minutes.
