MONTREAL

Conservation Means Saving

MILLIONS of dollars worth of valuable forests are destroyed annually through the carelessness of thoughtless people—so with our individual resources—millions of dollars are “thrown away” through thoughtless spending. Practice the conservation of your own resources so that you shall benefit from them in the years to come.

Mighty Oaks from little Acorns grow.

The Royal Bank of Canada

DUNLOP BELTING

DUNLOP Gibraltar Red-Special Belting has a Friction of special Dunlop Rubber which retains its life indefinitely.

This Eelt is built to meet the conditions existing in the lumbering industry.
