THE FACTS ABOUT ABORTION REFERRAL SERVICE

The New York State Abortion Act provides for the performance of abortions by licensed physicians in accredited hospitals and their affiliated outpatient clinics, up to and including the twenty-fourth week of pregnancy. There is no residency required for a therapeutic abortion and for those seventeen years or older, parental consent is not necessary.

The Abortion Referral Service (ARS) is a self-supporting organization whose function is to assist those women confronted with problem pregnancies. ARS makes all necessary arrangements with Board Certified obstetricians and gynecologists in fully accredited hospitals and clinics. This medical attention can be provided within 24 hours after your initial contact. If necessary, we will gladly assist in transportation arrangements.
