

Wedding service set in candlelight

St. Andrew's Presbyterian Church in Port Credit was lit by candles for the wedding of Mary Ellen Burnie, daughter of Mr. and Mrs. John Lloyd Burnie, Port Credit, to William Bruce McCrie, of Toronto, formerly of Niagara Falls.

Rev. D. S. Jackson officiated at the double-ring ceremony.

The bride, given in marriage by her father, wore her mother's wedding gown of ivory silk satin with a deep yoke of heirloom Carrickmacross lace more

than 100 years old that belonged to her great grandmother. The gown had long slim sleeves and fell into a full skirt with a sweeping train.

She wore a full-length antique silk illusion veil and carried a cascade of white roses, lily of the valley and baby's breath.

Matron of honour, Beth Kent, St. Catharines, wore a full-length pink crepe gown with a wide band of pink lace

edged in deep brown accenting the empress waistline and with long tight sleeves. She carried a cascade of pink roses, carnations and baby's breath.

The bride's cousin, Betsy Eayrs, also wore a pink crepe gown with pink lace and carried pink roses, carnations and baby's breath.

Best man was Richard Kent, St. Catharines.

Special news items for senior citizens

The federal government is offering a New Horizons program for senior citizens. Any person wanting assistance in preparing a proposal for this program should contact the Mississauga Recreation and Parks Department at 278-7600.

Seniors will be admitted free of charge to the Canadian National Exhibition on Aug. 29. Proof of age is necessary at the gate. While the CNE is open, Ontario Place will not be available to seniors free of charge except on the 29th.

WE KNOW OF A BETTER WAY TO CLEAN CARPETS! IT'S DONE WITH STEAM

Home carpet cleaning help is here in the form of the new, revolutionary, steam carpet-cleaning process — the same process used by experts in large institutions. Steam cleaning brings back a carpet's original lustre and life. Steam cleaning's deep down extraction method gently dislodges embedded dirt from the fibres because steam cleans from the bottom up — not top down. You'll see it! You'll actually see dirt, grime old detergent, etc., removed from our carpets and as no residue is left your carpets will remain cleaner longer. There really isn't anything in modern carpet care quite like steam cleaning. One cleaning in your home and you'll be convinced. For cleaner, neater carpets.
