Honourable MacKenzie King,
Ottawa, Ont.

Dear Sir :-

I see by the report of The Central Executive Committee of The Canadian Patriotic Fund that you have been appointed on a special committee to study the question of methods to be adopted for raising the amount of money required for the year 1918. The money will be raised in this province this year by municipal taxation under the Act passed in 1916, and so far as I have heard, it has given general satisfaction. I enclose you copy of the Acts passed in reference to this fund in 1916 and 1917 in case you may regard it as worthy of consideration.

Yours truly,

Josiah Wood
