Jaspe Basin.

Dr Gauthier is impossible  
and Mr Sims, the 4 candidate  
would have slight chance.

I was sorry that Mr O'Leary has  
passed thro' Percé and even  
held an informal meeting  
of which I had previously heard  
nothing about. Only those who  
attended "high Mass" that Sunday  
were made aware of it. I had  
many visitors after the meeting  
and heard very nice things from  
those who attended. This is how,  
& even before you wrote me, I  
had come to think of him as  
a possible Candidate.
