April 2, 1929.

Nelson Spencer, Esq., M. L. A.,
416 Pacific Building,
Vancouver, B. C.

My dear Nelson:

I have your letter of 27th with cheque,
for which accept thanks.

Glad to know for certain that you have
several thousand shares of Home Oil, even though you
do not count the profits until you get them. Some of
us have to count them sooner, or we cannot count them
at all.

Mr. Lowery has been down here lately
and also Mr. Cummings. They speak in the highest
terms of your standing in Vancouver, which, of course,
delights me.

Yours very truly,

AM/E.

Arthur Meighen.
