RE: Sooke I.R. #2 Timber Licence #334,
Your file #30152-23 (R.3).

Reference your letter of the 28th ultimo re the above Licence, addressed to Messrs. Blight, Locke and Blight, Sooke, B. C., I would advise that it is impossible for this road to be repaired until the end of May or the middle of June, due to the snow and wet weather.

The recent holders of the above Licence have given me written assurance that this reserve will be put in satisfactory condition just as soon as the ground permits work to be done on it.

In view of this I would ask that the security deposit be returned to them as soon as possible.

I feel quite sure that these operators are reliable and will carry out their obligations.
