I on 29 Sept I went with Sgt Robinson
to St Helen Police where we found RAF
Vehicle 154930. As we approached the
vehicle the accused walked away from it.
He walked across the square. We walked up
to him, asked him if he had been driving the
jeep. He said yes. After being cautioned, the
accused said he had driven an officer
into a hut & he had thought this way
his ~~jeep~~ Sgt Robinson put his hands on
accused & ordered him to accompany us to
the ~~jeep~~. On the way back in the jeep,
the accused jumped up & almost knocked me
out & then pulled my hands & forced it against
an upright of the jeep
