

3.4 AR General - DBS proposing after Fowler Report do survey of revenues and business of radio and TV stations. BEM has asked Canadian Economic Research Associated to do a management study - Clyde McDonald reported leaving BEM to set up own Research Firm. AR has studied BEM - finds little value in material and cost of \$75,000 not warranted.

4. PERSONNEL & ADMINISTRATION

4.1 Industrial Relations - ANG - is at final stage of signing. IATSE referred cases Stone & McLaughlin to Arbitration Board which found in favour of Corporation but urged CBC to offer them jobs. MGMT anxious follow unanimous recommendation agreed offers which neither accepted nor rejected. Union apparently anti offers and holding meeting this p.m. Special circuit meeting those concerned at conclusion. Building Services Employees - Montreal group previously certified and now Vancouver group given certification. Problem in that groups cannot bargain uniformly being completely autonomous and therefore CBC will find difficulty negotiating on local basis. ARTEC - Announcers survey to be complete by March 31st. Investigation by PGM indicates all points complete except Montreal and Acting QUE indicated hope to finalize by end of month. General - Asst P & A pointed out that union knew of proposal to use announcer-operators Winnipeg for TV network delay operation before P & A and union had put in complaint before P & A was asked to attempt secure union agreement such proposal. Agreed item should be put on Agenda General MGMT Meeting. Further discussion to take place Montreal ENG, McKee, Cahoon Wednesday or Thursday this week.

5. PRESS & INFORMATION

5.1 General - P & I will issue in FYI under appropriate headings brief digests of various items. Also proposes catalogue in FYI articles in trade magazines.

5.2 Fowler Report - P & I to do digest for all staff. CA arranging copies for Regions and Ottawa. No one is to comment on Report. P & I to issue directive if MGMT decides one desirable. P & I supplying Ottawa with CP material.
