PATENTS,

In connection with the Scientific American, Messrs. Munn & Co., are solicitors of American and Foreign Patents, have had 35 years experience, and now have the largest establishment in the world. Patents are obtained on the best terms. A special notice is made in the Scientific American of all inventions patented through this agency, with the name and residence of Patentee. By the immense circulation thus given, public attention is directed to the merits of the new patents, and sales or introduction often easily affected.

Any person who has made a new discovery or invention, can ascertain, free of charge, whether a patent can probably be obtained, by waiting to Munn & Co. We also send free our hand Book about the Patent Laws, Patents, Caveats, Trademarks, their costs, and how procured, with hints for procuring advances on inventions. Address for the Paper, or concerning Patents.
