LETTRE DE SA GRANDEUR Mgr McEVAY

ARCHEVÈQUE DE TORONTO

Toronto, January 24th, 1910.

Most Rev. Paul Bruchési, D. D., Archbishop of Montreal

My Dear Lord Archbishop,

I have received with much pleasure the official Programme of the future International Eucharistic Congress in Montreal, and I desire to congratulate Your Grace and all associated with you in this glorious work.

When we consider your numerous Religious Communities, zealous Priesthood, magnificent Churches and Institutions, the practical faith of the Catholic people, and when we add the sympathy and cordial support of the Authorities of the State, which is denied in so many places, we have good reason to believe that the See of Montreal is a fitting and proper place for the holding of this Eucharistic Congress which will bring honor not only to Montreal but to all Canada.

I have appointed the Very Rev. Dean Hand, Pastor of St. Paul's Church, Rev. Father Rohleder, Pastor of St. Joseph's Church and Rev. Father Lamarche, Pastor of Sacred Heart Church, all of Toronto, to act for this Diocese. These zealous
