### STOCK GOSSIP.

In writing to advertisers please mention the Farmer's Advocate.

Mr. Geo. D. Scott, box 61, Vancouver, B. C., is making special offerings in Port Simpson, B. C., of business lots. The opportunities for making investments there are said to be especially good. Write him for information.

We understand that Messrs. G. & B. Deo, New Sarum, Ont., the well-known Merino breeders, recently sheared 28 lbs. of wool from a thoroughbred Merino lamb.

As will be seen by our advertising columns we are in receipt of communications respecting the purchase of good breeding ewes for fall delivery. We are pleased to notice the increasing interest being taken in this profitable and important branch of agriculture in Manitoba. Parties who can supply good grade ewes for breeding will do well to mark the increasing demand, and take means to inform those wanting them.

A. C. Hallman & Co., New Dundee, Ont., importers and breeders of pure bred registered Holstein-Friesian cattle, when sending a change of advertisement, write under date of May 24th: "The space occupied by our advertisement brings us a large number of enquiries. We highly appreciate your services and consider the ADVOCATE, both as an advertising medium and practical farm journal, without a rival in Canada. We enclose a change of advertisement for June. We have now for sale a few choice bred bulls of good quality fit for service. All are got by our silver medal bull. These we offer low in order to make room for young stock."

Mr. T. H. Medcraft, Sparta, writes us that since their sale held in April, he has taken up the breeding and importing business carried on previously by his father and himself, as the firm of Wm. Medcraft & Sons. He has now a choice flock of imported Shropshires, and also a lot of capital improved Yorkshire pigs. These were selected by Mr. T. H. Medcraft in England.
