OUR TWO SPECIALTIES THIS SEASON:

**Daubeny Oats**

The chief value of Daubeny oats is their extreme earliness. For mixing with all the varieties of barley that ripen about together, the Daubeny oat is unrivalled. Sown with Mand-scheuri barley, the yield per acre of the mixed grain for feed is the heaviest on record. They are also themselves a heavy yielder. One of our growers has a crop of 1,800 bushels of cleaned oats off 21 acres.

Prof. Zavitz, of the O. A. C., Guelph, reports on the Daubeny oats as follows:

"We have grown the Daubeny oats for a number of years, and find this variety to be one of the very earliest. It is one of the best yielders of the very early varieties of oats. It has a medium length of straw, a spreading head, and a white grain. The oats have an exceedingly thin hull, and, although they are not as attractive in appearance as some other varieties, they are of good quality. The Daubeny variety of oats is one of the best which we have tested for the purpose of sowing with Common, Mand-scheuri or other varieties of barley which ripen about the same time as these varieties ripen. Such a mixture usually yields well and ripens uniformly."

**Carter's Black Japan Barley****An Entirely New Grain**

This is not the ordinary Black Hulless barley. It is a six-rowed variety, bearded like the Mand-scheuri barley, but it is black. Those who have examined this barley in the straw are loud in their praises, pronouncing it the finest appearing barley they have ever seen. It has a very stiff straw, and stands up well. Head is long and heavy; grain large and plump, but thin in the hull. Is full of fresh new vigor, and is the hardiest and healthiest variety known. It is well adapted for rich land. The stock now offered was grown on a clay loam in this locality. We are the only seed-house in Canada having this barley for sale, and every farmer should sow a plot to get into the seed of it.

Price to one and all as long as our stock holds out: 1 lb. 25c, 3 lbs. 70c, 5 lbs. \$1.00, postpaid to any address in Canada. Prices by the bushel on application.
