QUESTIONS AND ANSWERS. Miscellaneous.

IRONWOOD PARTITION POSTS.

Would ironwood posts, built in cement, be as lasting as cedar for horse-stable partitions?

N. McE.

Ans.—The heart wood of ironwood is very durable, and used as a post set in cement would be almost as durable as cedar. It would be very much stronger than cedar, and would therefore be likely to give longer service when used as a stable partition.

REPELLING ONION MAGGOTS.

A short time ago I saw a spray recommended for onions. Thought it was in "The Farmer's Advocate," but fail to find it, so think it must have been in some other paper. Could you give me a recipe to destroy the little worm that works at the root and is so destructive? I had a fine crop last year until they were attacked by it. I killed them with salt, but also injured the onions.

FARM GARDENER.

Ans.—Look up article, "The Onion Maggot Defeated," in issue of April 6th, page 595. Nothing that can be done will destroy onion maggots once they have hatched out and obtained entrance into the bulbs. The only remedy for the trouble is to hinder the fly from laying eggs near the onions, or by some means to destroy the eggs after being laid.

GOSSIP.

The demand for all light horses of approved style and breeding is keen in the Old Country, and prices rule very high at the London sales. Among the sales at Tattersall's on May 1st, were twenty horses which brought prices ranging from \$500 to \$1,070 each, and in a list of forty in the same sale, the lowest price was \$365.

SHEEP NEWS.

Henry Dudding's Ribby Grove flock of Lincoln Longwools has finished a most satisfactory lambing season. Twelve hundred ewes were put to the rams, and about 30 per cent. are pairs; very few ewes were lost, and the lambs are healthy and strong. The seed keeping is very scarce owing to cold weather and early stocking. The Swedes have kept sound and good, but are very scarce now, and mangel wozzels have been commenced. Some of the noted sires used are: Ribby Liverpool Commended, sold for 250 guineas; Ribby Enterprise 3rd, sire Nocton Enterprise, sold for 500 guineas; Ribby Kirmington, sold for 102 guineas, sire Kirmington, 200 guineas; Ribby Whitewall Gordon, sold for 150 guineas, sire Whitewall Royal Gordon; Ribby Nocton Enterprise 3rd, sold for 200 guineas, sire Nocton Enterprise, sold for 500 guineas, and a Royal winner; Leconfield Ribby Gordon. The show sheep, both rams and ewes, are particularly good this year.

The Ploughman.

(Madison Cawein, in New York Sun.)

The broken soil made damp with rain
Smells good along the bramble lane.
Broad in the afternoon the fields,
Conscious of every seed they hold,
Seem thinking of the harvest yields
That soon will turn their brown to gold.

The coultured earth, the furrowed loam,
Dream of the coming harvest home;
And dreaming breathe of unborn hay,
Of brier and daisy, wheat and weed,
That shall bedeck it on that day
When men shall come and give it heed.

And he who guides the plunging plough,
Across the soil's dark surface now,
What dream is his, if any dream?
Not one that aims at loveliness,
But plenty, like a golden stream,
To make his need and toil far less.

His toil and need that circumvent
His soul, for which the dream was meant.
That lifts the man above the brute,
And frees from bonds of circumstance—
But it is toil that gives us fruit,
And need is not a thing of chance.

A little chap was offered a chance to spend a week in the country, but refused. Coaxing, pleading, arguing, promising of untold wonders alike brought from him nothing but the stubborn ultimatum, "No country for me!"

"But why not?" someone asked finally. "Because," he responded, "they have thrashin' machines down there, an' it's bad enough here where it's done by hand."

HE'S A CONVERT TO A GROWING BELIEF.

That Dodd's Kidney Pills are the sure cure for Kidney Disease.

Mr. Renie Moulaison was treated by two doctors, but found his relief and cure in six boxes of Dodd's Kidney Pills.

Surette Island, Yarmouth, N. S., May 29.—(Special.)—Renie Moulaison, a fisherman of this place, is a convert to the growing belief that Dodd's Kidney Pills are the sure cure for Kidney Disease.

"My trouble started with a cold," Mr. Moulaison states. "My muscles would cramp, I had backache, and I had dizzy spells. My head often ached, and I had a tired, nervous feeling, while specks of light flashed in front of my eyes."

I suffered in this way for over two months, and was treated by two doctors, but they didn't seem to be able to do much for me. Then I started to take Dodd's Kidney Pills, and soon started to improve. I took six boxes in all, and now I am glad to say I am cured."

If you have any two or three of Mr. Moulaison's symptoms, you may be sure your kidneys are not in good working order. Bad Kidneys mean Backache, Rheumatism, Heart Disease or Bright's Disease unless attended to. The one sure way to cure them is to use Dodd's Kidney Pills.
