## Well Mother, We're going to have a Warm House Next Winter!

"JUST been into town and signed up for a Furnace. Been wanting to get one for you for years. Here's the plan. Yes it's a Hecla. Thought we might as well have the best. There are quite a few in around here and seeing how they save coal it looks to be cheaper to pay for the best. It's the patent Fire-Pot that does it. They explained it, you remember, in the little book."

"Then there's another thing. No matter how long we use it, the Hecla can't leak dirty dust or gas—and that's a big point with me. Every joint is welded up tight—FUSED they call it."

### HECLA WARM FURNACE

You want to know all about this furnace! Surely, you wouldn't make a purchase like that without investigating the Hecla? We have a book ready to give you the facts in eight doses. You want it? "Comfort and Health." Write to-day.
