POLICIES ISSUED ON ALL APPROVED PLANS

WORKMEN'S RIGHTS

In Canada a workman may proceed against his employer under the Workman's Compensation for Injuries Act, and at common law. That means untold annoyance and inconvenience to an employer. An employer is even liable for damages to an employee for injury resulting from the negligence of a fellow employee. Oft-times a workman will get back at an employer in this way. The employee may or may not win. Whether he does or not it means a great deal of anxiety to you as an employer. Let us relieve you of all this. Our liability policies are designed to do this very thing.

Will be glad to explain our plan. 3

There are many Reasons

Why Life Agents find the Great-West Life Policies such distinctly desirable Plans to sell. One of the first reasons is that the value of these Policies is not a mere matter of conjecture or probability, but the ACTUAL RESULTS to Policyholders are produceable, and these results are so satisfactory that they cannot fail to convince anyone of open mind.

The Company is prepared to make liberal Contracts with competent Agents. Excellent territory is available at the present time, both East and West.
