

THE CANADIAN NORTH-WEST  
**HOMESTEAD**  
REGULATIONS.

Any even numbered section of Dominion Lands in Manitoba or the North-West Territories, excepting 8 and 26, which has not been homesteaded, or reserved to provide wood lots for settlers, or for other purposes, may be homesteaded upon by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one quarter section, of 160 acres, more or less.

**ENTRY.**  
Entry may be made personally at the local land office or the district in which the land is situated.

**HOMESTEAD DUTIES.**  
A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act and the amendments thereto to perform the conditions connected therewith, under one of the following plans:—

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years.

(2) If the father (or mother, if the father is deceased) of any person who is eligible to make a homestead entry under the provisions of this Act, resides upon a farm in the vicinity of the land entered for by such person as a homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by such person residing with the father or mother.

(3) If a settler was entitled to and has obtained entry for a second homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by residence upon the first homestead, if the second homestead is in the vicinity of the first homestead.

(4) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this Act as to residence may be satisfied by residence upon the said land.

The term "vicinity" used above is meant to indicate the same town, township or an adjoining or cornering township.

A settler who avails himself of the provisions of Clauses (2), (3) or (4) must cultivate 30 acres of his homestead, or substitute 20 head of stock, with buildings for their accommodation, and have besides 8c acres substantially fenced.

The privilege of a second entry is restricted by law to those settlers only who completed the duties upon their first homesteads to entitle them to patent on or before the 2nd June, 1889.

Every homesteader who fails to comply with the requirements of the homestead law is liable to have his entry cancelled, and the land may be again thrown open for entry.

**APPLICATION FOR PATENT**  
should be made at the end of three years, before the Local Agent, Sub-Agent, or the Homestead Inspector. Before making application for patent, the settler must give six months' notice in writing to the Commissioner of Dominion Lands, at Ottawa, of his intention to do so.

**INFORMATION.**  
Newly arrived immigrants will receive at the Immigration Office in Winnipeg or at any Dominion Lands Office in Manitoba or the North-West Territories information as to the lands that are open for entry and from the officers in charge, free of expense, advice and assistance in securing land to suit them. Full information respecting the land, timber, coal and mineral laws, as well as respecting Dominion Lands in the Railway Belt in British Columbia, may be obtained upon application to the Secretary of the Department of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, Manitoba, or to any of the Dominion Land Agents in Manitoba or the North-West Territories.

**THE KING OF ITALY AND THE PEASANT.**

Here is a little story about the young King of Italy, which is being printed in the Italian papers, and which is worth reproducing. The king was staying in the country at his palace in Raccorrigi. He is little known to the people there, for in his walks about the neighbourhood he always strives to preserve his incognito. Hence come some curious adventures. One day while out tramping, he got very thirsty; and seeing a woman milking a cow in a field near by, he went up to her and asked her for a glass of milk.

"I can't give you any of this," said the woman; "but, if you'll mind the cow, I'll go to the house and get you some."

So the king minded the cow till the woman returned with a glass of cool milk. Then he asked her where all the farm-hands had gone.

"Oh, they're always running away now to try to see the king," answered the woman.

"And why do you not go? Don't you want to see the king?"

"Some one must stay and look after things."  
"Well, little mother," smiled the guest, "you see the king without running away from your work."  
"You're joking!" exclaimed the woman, who could not believe that a monarch could be so quietly dressed. But when the king put a gold coin into her hands, she fell on her knees, while he continued his walk, laughing over the incident.—Woman's Home Companion.
