THE FAME OF

"KENT" CANNED GOODS  
is spreading.

"KENT" Tomatoes are the acknow-  
ledged standard, and the words "as  
good as Kent" are often heard when  
a comparison of qualities is made. No  
progressive retailer can afford to be with-  
out these goods on his shelves. Their  
fine flavor, uniformity of quality and  
solid packing recommending them to  
the consumer, who, having once had  
them, will be sure to ask for them again.
