

MEMBER OF CONGRESS BURIED TO DEATH

David Dearmond and Grandson Victims of Burning—Early Morning Blaze Spreads With Great Rapidity

KANSAS CITY, Mo., Nov. 25.—Representative David A. Dearmond, one of the oldest Democratic members of congress, and his grandson, Wade, aged 6, were burned to death in a fire that destroyed the Dearmond home at Butler, Mo., early today. The other members of the family escaped, and it is believed none was hurt.

Neither the body of Congressman Dearmond nor that of his grandson have been recovered, and it is believed they were incinerated. Other occupants of the house at the time of the fire were Mrs. Dearmond and a daughter. The home of Congressman Dearmond was situated across the street from that of his son, James A. Dearmond. James started to rush into the burning house in an attempt to save his father, but was prevented by the younger members of the Dearmond family and neighbors. The cause of the fire is unknown. The house, which was two stories in height, burned fiercely.

Mrs. Dearmond, wife of the congressman, who escaped in her nightgown, was found in a room where she reached the ground. When revived later she became hysterical. The first she knew of the fire was when she heard her grandson, Wade, call out that the house was on fire. Dearmond occupied a room on the first floor, while Congressman

BOSTON IS HANDLING ENORMOUS QUANTITY OF CANADIAN GRAIN

Depending Almost Solely on This Country for Its Shipments

American Millers Not Shipping, Because They Can't Compete

Boston Hopes to Handle Bulk of Grain Output of Continent

Canada Increasing Its Production by Leaps and Bounds

BOSTON, Mass., Nov. 25.—A tremendous traffic from the Canadian West to Boston is indicating that the Canadian ports are now handling the business they should. The bulk of the traffic is coming from Montreal and Buffalo, by way of the Boston and Maine system. The New York Central is also forwarding heavy shipments.

With regard to the grain situation, a leading shipper says: "The grain coming through Boston is mostly Canadian origin. Canada this year had over 1,000,000 bushels of wheat, and the bulk of it is being shipped to Boston. The American millers cannot compete with the foreign miller, because the American miller does not have the same surplus production by leaps and bounds. The American movement of grain is decreasing, and the Canadian movement is increasing. It is impossible to proceed to their hotel, and Fred Wood, a fast auto driver, is now handling the use of his big machine.

After riding around the city the party, including Jeffries, his manager, Sam Bennett, and his party, and Frank Gotsch, with work driving the machine out for the Portage Country Club.

The machine was going at a fast clip, spectators say, and as the driver struck Mrs. Rotter, who was crossing the street, he was hurled to the pavement with great force. His body was broken and her body badly cut.

Jeffries disappeared almost as soon as the machine struck her. Work remained with the woman.

CHRISTIE WAGOOD AND HIS WIVES FOR A DIVORCE

Pictou Girl's Husband is a Son of the Late Joseph Jefferson

NEW YORK, Nov. 25.—It became known yesterday that Christie Wagood, the comic opera singer, had begun an action for divorce from William Wintzer Jefferson, one of the sons of the late Joe Jefferson, the famous comedian and intimate of Grover Cleveland.

Through her lawyer, Charles G. Signor of this city, Mrs. Jefferson instituted the suit in Buffalo, Mr. Jefferson is represented by W. F. S. Hart, and last Friday the case was sent to Preston Albro as referee, by Justices Lambert. It is expected Mr. Albro will make his recommendation within the week.

Friends of the young couple have known that their married life was not as happy as it might have been. Mrs. Wagood is cohabiting with Andrew Mack, who is soon to appear in a new play under the management of Lawton. Mr. Jefferson is touring in Texas in a repertory of the plays made famous by his father.

They were married in May, 1901, at the Jefferson seaside place, Crown Point, Buzzard's Bay. Europe was visited on the honeymoon, and for some time thereafter Mrs. Jefferson quit the stage. Later, when they discovered their incompatibility, she returned to her work. Last July the fact that they were living apart became known, but at that time it was denied that a divorce was contemplated. It was reported that one source of domestic trouble had been Mrs. Jefferson's desire to live with her relatives, while the husband preferred a household of his own. She belongs to Pictou, Nova Scotia.

GIRL FOUND GLOVE

Hattie LeBlanc Nabbed by Police Last Night

Suspicious of Undertaker Who Laid Out Victim Aroused

Girl Under Arrest Because She Longs to Arichat, Cape Breton

WALTHAM, Mass., Nov. 25.—Hattie LeBlanc, the seventeen-year-old domestic who was accused of murdering her employer, an anti-mortem statement of the girl was found tonight in a room on the first floor of a dead man was held in the afternoon. Taken to the police station, the girl was questioned and then formally placed under arrest.

Since the shooting in Glover's laundry, Saturday night, the police had been searching extensively for Miss LeBlanc until tonight.

The attitude of Mrs. Glover in refusing to visit her husband when he was dying in disclaiming relationship with the LeBlanc girl, although the latter claimed they were cousins a search of her house, in which Miss LeBlanc was found, resulted tonight.

The suspicious of an undertaker aroused by something he had seen heard in the house while laying out the body, and communicated the police, led the authorities to search the Glover house for the girl. Mrs. Glover was not consulted. It was in a room on the first floor of a second floor that the girl was found away at night. Without inquiry she was during her life. The other rooms on this floor are occupied by a minister and his family.

LeBlanc and close against the wall, the police found the girl and the only bed in the room. She shriveled away at night. Without inquiry she was during her life. The other rooms on this floor are occupied by a minister and his family.

At the station, beginning shortly after 9 o'clock, the girl was put in a room and an interpreter was necessary, making inquiry a laborious one. There were present Mayor Edward A. Wilson, who had employed a sister, Miss LeBlanc, his stenographer, the interpreter, and several police officers. They were still closeted at midnight.

Miss LeBlanc has been in Waltham and this country only fifteen months, coming here from Arichat, C. B., the home of her mother's father. She is a French Canadian, and her name is LeBlanc, although some have changed their French name to its English equivalent, "White."

PRESENT RULERS SEEK ABDUL HAMID'S WAD

Proposes to Recover \$3,000,000 Through Legal Action

BERLIN, Nov. 25.—The Imperial Bank of Germany today sought \$3,000,000 deposited by Abdul Hamid before he was deposed from the sultanship of Turkey and which, according to the Frankfurter Zeitung, the present Ottoman ruler proposes to recover through a legal action.

It is learned here that the Imperial Bank is quite willing to surrender the money if the order for the return of the signature of the former sultan authenticated by the special seal adopted by him when the deposit was made. At that time Abdul Hamid entered into a strict compact with the officers of the bank under which no withdrawal from this account was to be permitted except upon the authority of the special seal. Apparently the Turkish government is not prepared to accept the deposit, but is desirous of a letter sent by the bank to Abdul Hamid, which would be a receipt for the money, and which would be a receipt for the money, and which would be a receipt for the money.

JIM JEFFRIES IN CAR WHICH MURNS WOMAN

Hurries Away After an Accident During a Joy Ride

AGRON, O., Nov. 25.—While joy riding around town in a big machine early this morning James J. Jeffries and a party of friends ran down Mrs. Lillian Rotter, causing injuries which may make her a cripple.

Jeffries and his troupe appeared in Musical Hall last night, where a big crowd saw the champion and saw Jeffries hurrying away in a car after the accident. After the show the crowd gathered around the theatre and was so dense that Jeffries and his party found it impossible to proceed to their hotel, and Fred Wood, a fast auto driver, is now handling the use of his big machine.

After riding around the city the party, including Jeffries, his manager, Sam Bennett, and his party, and Frank Gotsch, with work driving the machine out for the Portage Country Club.

\$10,000,000 WIDOW WEDS MAN WORTH \$20,000,000

Mrs. Chapman's Heart Throbs to Cupid's Dart—Two Fortunes United

NEW YORK, N. Y., Nov. 25.—A quiet wedding at the Hotel St. Regis today united two American fortunes estimated at \$10,000,000 and \$20,000,000 respectively. The bride is Mrs. Wm. Chapman, whose numerous foreign investments are estimated at \$20,000,000. Her groom is a Dutchman, whose personal fortune is estimated at \$10,000,000.

It was only yesterday that the following interview with Mrs. Chapman was obtained for a local newspaper. "I shall not marry till my heart tells me so and I really haven't talked for publication as yet," smiled Mrs. Wm. Chapman at the Hotel St. Regis last night.

Mrs. Chapman is probably the most proposed-to woman in New York at present. The siege began the very day after the death of her late husband, who left her an estate valued at \$10,000,000. She has since then contracted the report of her engagement to a Dutchman, only to be confronted with an "exclusive announcement" of her impending union with an English lord—and has denied that sweet prospect just in time to hear of her next dance, a Parisian court.

Night before last the persevering gentleman from Paris, Count A. de Sonis, was the lady's devoted attendant at the St. Regis, though he denied any formal engagement. The world is waiting for a specially called interview Saturday morning with the Russian general, whose spirit, in which some firm hopes were waxing in the balance.

"Mrs. Chapman, why prolong the agony?" was asked by a reporter last night. "Why not say you're going to marry—or why don't you marry him?"

"HER HEART SAYS 'NO'!" Mrs. Chapman turned pink as her rose-colored dinner gown as she murmured softly: "It is my heart that must lead the way, and it hasn't had a leading yet!"

"Oh, Spirit! you're a dear—she's been so awfully nice to me!" and he
