OHSEWEN.

(From our own correspondent.) Owing to a mistake the County delegates to the Women's Institute at Ohsweken had their trip from Brantford last Tuesday in vain. The meeting had been overlooked and had not been advertised or announced. We understand that the mistake is to be regretted as one of the delegates was a specialist and the women missed a rare treat in not hearing her. Success next time.

The foundation work under the north wall of the new Anglican church was not of a substantial character and therefore the wall is cracked and bulged to such an extent that it will need immediate repairs. The wall will have to be raised and the foundation deepened and re-inforced and relayed or else truss rods called into requisition, which would spoil the interior harmony of the edifice.

"A thing of beauty is a joy forever." Mr. F. Strong, Anglican rector at Sour Springs, will have charge of the officers' mess for the 36th and 37th regiments at Niagara camp. They are adepts in their line and left Friday morning by the early train.

The following address was read to the Rev. Mr. Hagen after his farewell sermon last Sabbath at Medina Baptist Church.

Rev. Mr. Hagen, Honoured Sir,—We the members of Medina Baptist Church, wish to express to you our sincere admiration and gratitude for your loyal and unselfish service, during your four years labour in our behalf and among us. We love and admire you for your own loving personality and we have been enthused by your gospel preaching which has been very acceptable. You have declared unto us the "whole council of God" and have always hewed to the line regardless of consequences. We trust and pray that your work here will be as "bread cast upon the water," that will be seen after many days in the uplift and regeneration of this church and neighborhood. We are loath to say good-bye, but as it is the will of God to call you to other fields of labour, we shall remember you at the "Throne of Grace" in our prayers. Our loss will be another's gain, but we say "Thy will be done" and wish you and yours a prosperous journey through this life and when life's journey is over, may you hear the Master say:—"Well done good and faithful servant, enter thou into the joy of the Lord."

Signed on behalf of the congregation,

GEORGE MILLER.
The annual military service was conducted by Rev. J. F. Parke, Sunday at 3.30 o'clock in the Anglican church. The officers and privates are to be congratulated upon their military appearance and drill. The boys are pleased with the Ross rifle but say it is quite a kicker and needs hugging.

Mr. Clark lost a valuable colt by drowning. It was running with its dam in the school yard and by some means plunged into the well through an opening not over seven inches wide.

The advance squad of the three Indian companies left Friday past to get things in shape for the arrival of the main force. Captains J. S. Johnson and A. G. E. Smith left on Monday for Hagersville where quartermaster W. C. Vanloon will take charge. The companies will not be in full strength as it is impossible to recruit the ranks when the pay is so meager and work plentiful and wages good.
