SEPTMBER IN NATURE'S WILDS

Algonquin Park, 285 miles west of Montreal and 205 miles north of Toronto, is 2,000 feet above sea level, and offers attractions to those desiring rest and recuperation, that no other place in Canada does. September is one of the most delightful months of the year in this 2,000,000 acres of Government reserve. A good hotel, the "Highland Inn," affords comfortable accommodation at reasonable rates. The fishing this month is at its best. Ask any Grand Trunk Railway Agent for handsomely illustrated descriptive literature telling you all about it.

The Hot Weather Test makes people better acquainted with their resources of strength and endurance. Many find they need Hood's Sarsaparilla, which invigorates the blood, promotes refreshing sleep and overcomes that tired feeling.
