T. VANARNAM

Companied by Mrs. Whyte who takes part in the singing. Mr. Whyte possesses a fine voice, and in singing he accompanies his voice with a guitar. He has a paculiar style of illustrating the truths which he desires to convey that makes his meaning plain to all; a style not unlike that of Sam Jones. The meetings have been well attended and no doubt substantial good will be done. During last week the meetings were held in the Baptist church, but on Sunday and Monday evening they were conducted in the Presbyterian church.

Athens April 6. 1890.

Athens April 6. 1890.

Editor Athens Reporter:

I am pleased that we have another evangelist with us, the Rev. J. J. the White, Baptist minister. It is hoped that these meetings will do us good, not seed, but much depends on the soil for a bountiful crop. God wants his week the meetings were held in the Baptist church, but on Sunday and Monday evening they were conducted in the Presbyterian church. Evangelistic services are now being conducted by Rev. J. J. Whyte, ac-companied by Mrs. Whyte who takes

To reach the English church in safety on Sabbath evening a person requir-ed a pair of wading boots and an accured a pair of wading boots and an accurate knowledge of the local topography.

After crossing the mud-puddle between the sidewalk on Elgin st and the walk leading to the church, only a most uncomfortable libratory motion

the walk leading to the church, only a most uncomfortable libratory motion enabled one to maintain an equipoise. This should not be, and it would be well if the young ladies, who were be fore so successful along this line, would again take up the matter and secure the repairing and completion of of the walk. The English charch is the only house of worship in the village that cannot be reached without discomfort in muddy weather, and citizens generally should be willing to contribute towards providing a good sidewalk.

Solvent of the business places being closed. Advantage was taken of the holidary by nearly a score of citizens to make their annual descent on the sugar bush of Ras. Levingstone. They were kindly received by the ever genial propriation, which it was surrounded reflects a great credit on the capabilities and capacities of the eminent feeders tak img part. The amount of provision consumed would lead one to fear that several "glooms" would be cast over the neighborhood, but thus far there have been no fatalities.

Last week was favorable for the sugar industry, and the pans have been kept boiling late and early. On Friday we visited the sugar woods of E. Davis, Addison, and were informed by the man in charge of his camp that they had made as many as 30 reals of reals and capacities of the eminent feeders the benefit of the sugar industry, and the pans have been kept boiling late and early. On Friday we visited the sugar woods of E. Davis, Addison, and were informed by the man in charge of his camp that they had made as many as 30 reals of reals and capacities of the eminent feeders the heart in the sugar industry, and the pans have been kept boiling late and early. On Friday we visited the sugar woods of E. Davis, Addison, and were informed by the man in charge of his camp that they had made as many as 30 reals of reals and capacities of the eminent feeders the pans have been kept boiling late and early. On Friday we visited the sugar industry in the different churches, and the work will go on.

The

heen kept boiling late and early. On Friday we visited the sugar woods of E. Davis, Addison, and were informed by the man in charge of his camp that they had made as many as 30 gals. of moisses in one day. The pan used in this camp is one of the Canada in 1842. In 1850 he nor mining the comparison of the constant in the constant in the constant in the constant in the country hundreds of man and teams are engaged in the work of manufacturing sugar. Thus far individual effort and merit have determined the price received, but with the constantily in cressing production, this is found to be an unastificatory remuneration. PRINTING

Are unexcelled in the County of Leeds and reshall be pleased to give estimates.

AGRICULTURAL SOCIETY WORK

We make a specialty of Agricultural Society work and our printing for the fairs in Leeds in the past has been the BEST ever executed in the County.

This statement may not sound very modest, but it is true.

We have made such arrangements as enables us to fix dates for parties order ing Sale Bills, thereby saving them a trip to Auctioneer David Dowsley.

We also give FREE a local notice of all sales when bills are ordered here, which is worth more in most cases than the price of bills.

All orders receive prompt attention, and parties ordering bills can have them printed so as to take home with them the same day.

THE "PARAGON"
