ANOTHER SEIZURE

Windsor, May 15.—Fish Inspector Chauvy last night seized a ton and a half of fish from Leamington, consigned to the Booth Fish Co. and the Wolverine Fish Co. of Detroit. Both lots contained pickered, which rendered them subject to seizure. If he can learn the names of the shippers at Leamington he says he will prosecute them. This is the third seizure he has made within a week.

APPEAL DISMISSED

Judge Houston has returned from Toronto, where he has been appearing in the appeal of the decision in the case of Clarke vs. Mitton. In this case the jury brought in a verdict for the defendant, giving no damages to the plaintiff. The jury admitted that some things had been said by the plaintiff, but he had every provocation and good reason for it.

The appeal was made on the ground that it was an absurd finding and that the verdict should have been made a nominal one for the plaintiff. The judge dismissed the appeal, however. Mr. Houston acted for the defendant, and Walter Mills for the plaintiff.

EPWORTH LEAGUE

The missionary department of Park street League held their first meeting for the new year on Monday evening. There was a good attendance and a very instructive program given. Miss Mills took the evening topic and gave a well prepared paper on missionary work. Mr. Lindsay Parrott, president of Victoria Avenue League, also gave a short but very fitting address. Solos were nicely rendered by Miss L. Wemp and Miss Duffy. Last year this department of the League raised \$87, which is considered a very good showing.

The meeting on Monday evening was under the direction of J. A. Mackness, second vice-president.

STRANGE PRESENTIMENT

To those who take an interest in the supernatural, such as premonitions, presentiments, omens or the like, an instance is being related in this city, which will be of interest. This strange occurrence took place in connection with the death of two very intimate friends, who were suddenly called away to the Great Beyond.

Relatives state positively that the day previous to his demise, the late William Moffatt several times declared that he could see his friend, Hugh Murphy, the late engineer at the works, standing by his bedside and beckoning to him. To one of his relatives, who was standing near to him at the time, he made the assertion that he could "see Hugh standing up there, who for a long time he was going." At that time no one even dreamed of Mr. Murphy being called away, but it was only a short time afterwards that Mr. Murphy was removed to a London Hospital suffering with a severe illness, from the results of which his sad and sudden death occurred.

A RESPECTED MAN

The funeral of the late James Ferguson, who passed away at his home in Thamesville, was one of the best known and most highly respected men in the county. The funeral, which took place on Monday, was very largely attended. It was one of the largest funerals ever held in that section.

The funeral services were conducted by Rev. Mr. McInnis, of Thamesville, assisted by Rev. Dr. Bittisby, of this city. The floral tributes were very numerous and complete. The church choir was in attendance, Miss Bessie Sherrin presiding at the organ.

The pall-bearers were—John Lee, Higginbotham; E. W. Wilson, Ridgeway; John Haines, Chatham; John Dunlop, J. W. Smith and John Coatts, of Thamesville.

THE LITTLE TYCOON

Waterloo, May 15.—Probably the best amateur production that has ever been rendered in this town, "The Little Tycoon," was presented for the third time at the town hall last evening before a crowded house, under the auspices of the Waterloo Musical Society, and under the direction of its leader, Prof. Philip.

The artists are all well, with the exception of Mrs. J. A. Hilliard, of Berlin, who assisted materially in drilling the young people who participated in this delightful play.

The solo and chorus work was well rendered and the demand for frequent encores.

It is probable that the play will be repeated in Berlin for the benefit of the joint hospital.

Prof. Philip is a former Chathamite and has put on several successful amateur productions in this city.

WITCHCRAFT

IN NATAL

Searchlight Scares Zulus Who Think it Heaven's Light

MAY SUBDUED THE REBELS

Durban, Natal, May 16.—It is reported that Bambata, the insurgent Zulu chief, has crossed into Natal. Heavy gun firing was heard on May 13 from Nkandha, which recommenced yesterday afternoon.

A despatch from Greytown says that serious fighting is in progress in Zululand. Heavy gun fire was heard Monday at Krantzkop.

Several native tribes on the Natal side of the Tugela River are reported to be ready to rise.

Searchlights promise to prove as effective weapons in subduing the sedition of the Zulus as the British guns, judging from the display given Monday night by a native commissioner, Mr. Saunders, before a huge gathering of Zulus at Kandaia headquarters of the punitive force.

The natives were awe-struck and regarded the search light as the eye of the Almighty, and said that God had turned it upon them in his anger. The flashing of the light on the surrounding hills, bringing in plain view the Kadiz trails as far as the horizon, powerfully impressed the Zulus, who when the light was suddenly flashed in their faces, cowered and fell on the ground before what they termed the "latest witchcraft of the whites."

YE OLDE FIRM, HEINTZMAN & CO., TORONTO

Mr. John Glassford, their district manager for Western Ontario, has just received the following letter from his firm, which we think the public in general should know: It is as follows:

Mr. John Glassford,
Chatham, Ont.

Dear Sir,—We are pleased to tell you that our agents, Messrs. Laviguer & Hutchinson, of Quebec, have been successful in disposing of three of our Grand Pianos to three important people in Quebec. One Grand was sold to the Hon. S. N. Parent, ex-Premier of Quebec, and who is now Chairman of the Committee of the Grand Trunk Pacific Railway. This Grand Piano is to be gotten up in Louis XV. Style, and the base is to be of 22 Carat Gold. The price received for this Piano is two thousand two hundred dollars. We have the privilege of placing this Piano on exhibition at the Toronto Exhibition next Fall, and we feel that it will create quite a sensation. We are anxious that all our representatives should know of this sale, as we believe it is the highest price ever received for a Canadian Piano. This class of work usually went to the large American houses, but the Heintzman & Co. Grand commands this class of trade today.

Another Grand was sold to Col. Roy, who is Commander of the British Military at the Citadel in Quebec. A Grand was also sold to Mr. Carrière, of Quebec.

This is just to give you an idea of the immense prestige that our Grand Pianos have for themselves among the musical people in Canada.

We have opened up a large warehouse in the Garner House Block, Chatham, with Miss Nellie Richards, right class teacher of music, in charge. You will there see a large assortment of our high class instruments in stock, with prices as low as the same Pianos can be purchased for cash in Toronto, and on easy terms of payment.

Remember the place, Garner House Block, Chatham, Ont., phone 344.

JOHN GLASSFORD,
District Manager.

NERVOUS CHILDREN

St. Vitus Dance, Neuralgia and Head-aches Common Among School Children.

St. Vitus dance is a disease that is becoming more and more frequent among school children. Young people tire the nerves with study and the nerves cry out. Sometimes the trouble takes the form of neuralgia, headache, nervous exhaustion, weakness of the limbs and muscles, and what we call "being run down." In other cases St. Vitus dance is the result and the sufferer frequently loses all control of the limbs, which keep up a constant jerking and twitching. There is only one way to cure this trouble — through the blood which feeds and strengthens the nerves. And Dr. Williams' Pink Pills are the only medicine that can make the new rich, red blood that feeds the nerves and strengthens every part of the body. The case of Flossie Doan, of Crowland, Ont., proves the value of Dr. Williams' Pink Pills. Mrs. Doan says: "A couple of years ago my daughter Flossie was dangerously afflicted with St. Vitus dance. She became so nervous that after a time we could not let her see even her friends. She could not pick up a dish, lace her shoes, or make any movement to help herself. She had grown thin and very pale, and as she had been treated by several doctors without benefit I feared she would not recover. A friend advised me to give her Dr. Williams' Pink Pills, and after she had used a couple of boxes I could see that they were helping her. We gave her nine boxes in all, and by that time she was perfectly well, and every symptom of trouble had passed away and she is now a strong, well developed girl."

If your growing children are weak or nervous, if they are pale and thin, lack appetite or complain of headaches or backaches, give them Dr. Williams' Pink Pills and see how speedily the rich, red blood these pills make will transform them into bright, active, robust boys and girls. You can get these pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

FREIGHT RATE ENQUIRY

When the Railway Commission meets here at the end of this month, the Canadian Manufacturers' Association will ask the Commission to start an enquiry into the whole system upon which the freight rates in Ontario are based.

"It has been felt generally that the work of the Commission has been one-sided, and the movement on the part of the association," said J. Matlow, the transportation expert, "is to give the shippers a chance to get at the railways who, under the leadership of A. G. Blair, have adopted a deliberate policy of delay."—Toronto World.
