THANKSGIVING DAY AT BATH

Womens Institute Carried Out A Successful Programme On Monday.

Bath, N. B., Nov. 11—Thanksgiving Day being on Monday, the annual Armistice Day services were carried out under the auspices of the Women's Institute.

At eleven o'clock Monday morning, members of the Institute and school children formed a parade and marched to the Soldiers' Memorial Monument on Main street, where in keeping with the spirit of the day a most impressive program was conducted. Patriotic songs, recitations and stirring soul-inspiring speeches permeated throughout with the Thanksgiving spirit, plus one of gratitude and another of reverent respect, which one and all should bear for the soldiers who fought, bled and died for the cause of liberty and who now lie sleeping the peaceful sleep of the just in the numerous cross-bedecked, poppy-strewn cemeteries of France and Flanders. "Truly, greater love hath no man than this, that he lay down his life for his friend."

The following is the program in the order in which it was so successfully carried out:

1. Song, O Canada, school children.
2. Address, W. H. Bramley.
3. Song, "Our Flag," by children of the primary department.
4. Reading, Mrs. M. E. Commins.
5. Song, "I Love You, Canada," by child primary department.
6. Address, Mr. Rideout, Returned soldier.
7. Recitation, In Flanders Fields by Miss Florence Wilson.
8. Recitation, Victory, Claude Brooks.
9. Prayer, Rev. Mr. Wasson.
10. "God Save the King."

PARTICULARS OF DEATH.

Following are particulars concerning the death of George H. Campbell, son of A. F. Campbell of this town, who died so suddenly on Oct. 5.

Below is a statement of the death of Mr. George H. Campbell at Minaki, Ont. Station, Oct. 5th, 1924. He arrived from Winnipeg on Train No. 2 at 1.55 p. m. Walked from the Observation Car to Station. Asked Mr. Geroux if he had his boat at the Dock. Mr. Geroux replied yes. Mr. Campbell said he wanted to go to his cottage and return in time to catch No. 1 back to Winnipeg at 4.42 p. m. Mr. Geroux took his valise and went directly to the boat to get it ready. Mr. Campbell saying he would find out how the train would be. He went in the waiting room and Operator Patterson informed him the train was on time and started working on the wire. Mr. Charlton, the agent, sat down to eat lunch at 2.05 p. m. and heard an unusual noise in the waiting room, rushed out and found Mr. Campbell lying on the floor unconscious. He and Patterson turned him over on his back and put cushions un-

AUTO VICTIM PASSES AWAY

Promising Career of R. K. Jones Cut Short—Passed Away Yesterday Afternoon.

(Special to The Observer.)

Woodstock, N. B., Nov. 12—This town and the whole province was deeply shocked at the announcement Tuesday evening, that Randolph K. Jones, son of Hon. Wendell P. Jones of Woodstock, had succumbed to his injuries received in an auto accident on the Woodstock-Fredericton road on Monday.

The late Mr. Jones was about 23 years of age and was a graduate of McGill University and had also attended the University of New Brunswick. But recently he had entered into the practice of law at Woodstock and gave great evidence that a splendid future lay before him. That it was to be cut short at such an early stage of life is the occasion for general regret.

During a recent general election in Great Britain the late Mr. Jones, then a student at McGill, was sent over to the Old Country to stump for the Conservative party in lieu of Prof. Stephen Leacock, who was unable to make the trip at that time. That of all the students at McGill this Woodstock boy should be chosen by so eminent a man as Prof. Leacock, shows what great regard his college professors had for his ability.

The accident and consequent death of Mr. Jones has cast a gloom over the whole community. Much sympathy is expressed for the parents of the victim and other near relatives.

Englishman Will Recover.

Peter Griffiths, an Englishman, who has been visiting Mr. Jones, and who was also injured in the accident, is reported today to be resting easier. His injuries were less severe, a fracture of the shoulder and a general shaking up, being the most serious.

The young men were on their way to Fredericton when the accident occurred. Mr. Griffiths was driving at the time and the rate of speed at which they were travelling is unknown. About three miles below Woodstock, the car struck a rock near a culvert and rolled completely over twice, pinning the victims under the car.

The funeral of Mr. Jones will be held at Woodstock the later part of the week.

der his head and he revived but could not talk. We then secured help and carried him into the living room of the station. Took his overcoat off, loosened up his clothes and he asked for some soda and water which was given him at once. He was in great pain at times and when asked if it was his heart, nodded his head. Yes, Mr. Charlton sent and got the section men to go to Redditt for the Doctor but he died before they got there. A few minutes before he died, he raised up and said, 'I want to tell you something, but I can't. Mr. Geroux, Mr. Godfrey and Mr. Charlton were in the room when he passed away. Dr. Shubinsky arrived from Redditt on Train No. 1, at 5.10 p. m. On examination no cause of death found, heart failure most probable.

SALMON EGGS FOR GRAND FALLS

Some 2,500,000 Atlantic Salmon eggs are being transferred from the fish hatcheries in Silver Falls to those of Grand Falls by Paul Parent, superintendent of the Grand Falls hatchery. This is the first time in several years that such a transfer has been made, although the Grand Falls had been stocked each year from the Miramichi hatchery.

The eggs will be packed in dampened moss. Water will be poured over the moss every three hours during

CHILD STRUCK BY AUTO AT BATH

Seven-Year-Old Daughter of Mr. and Mrs. William Brown in Precarious Condition.

Bath, N. B., Nov. 12—A shocking accident occurred on Tuesday last, when little Bessie, the seven-year-old daughter of Mr. and Mrs. William Brown, of lower Main street, was struck by an automobile.

The little girl was just coming from school and was riding on a double wagon, which was driven by Vince Giberson. When in front of her father's home, she alighted from the wagon, running directly in front of the car, the mudguard striking her and inflicting a terrible gash in her forehead which rendered her unconscious. As soon as possible a doctor was summoned and it was found necessary to take her immediately to the Fisher Memorial Hospital where she lies in a very precarious condition.

It is understood that before jumping from the wagon, Mr. Giberson warned her to be careful as there was a car coming. Whether she heard or misunderstood him cannot be ascertained. No blame is attached to Mr. Frank Wheeler who was running the car, the occurrence being purely accidental. Mr. Wheeler was accompanied at the time by Otis Denger of Bristol and they as well as the many friends of the family, are much disturbed over the accident.

CHARLESTON

The basket social held at W. E. Nelson's on Monday evening, Nov. 11th, by the ladies of the United Baptist Church was highly successful. A good time was spent by all those present and a goodly sum was realized. Mr. and Mrs. Charles Roberts, Red Rapids, and Mr. and Mrs. William White motored to Fredericton last Monday.

Mrs. William Gilland returned home Sunday after spending the past week with her parents, Mr. and Mrs. Thos. Pryor.

Miss Velma Nelson who is attending the Provincial Normal School at Fredericton, is spending the Thanksgiving holiday with her parents, Mr. and Mrs. W. C. Nelson.

Mr. James Smith, Tracy Mills, was visiting at Mr. Ernest Gardiner's last week.

Mr. Daniel Rice, and Eva Rice motored to Johnville and Holmesville last Sunday.

Mr. Charles McElroy, Bath, has returned home after spending a week with his mother, Mrs. Roger McElroy.

Mr. Thomas Travis and Mr. Arthur Fewer spent Sunday at Mr. Vincent Fewer's Avondale.

Mr. and Mrs. George Baker, and little Doris were visiting at Mr. Calver McEgan's on Sunday.

Miss Dona Pryor is spending her holidays with her parents, Mr. and Mrs. Frank Pryor.

Miss Annie Rice was a caller at Mr. C. McEgan's Thursday afternoon.

William Greene and Arthur Fewer loaded a car of potatoes at McEgan's Rd. last week.

the trip to ensure freshness of the eggs. When they reach Grand Falls they will be transferred to hatching tanks and in six months will be hatched. The young fish will be kept in tanks at the hatchery for some two months after hatching and will be transferred once more to the headwaters of some stream where they will not be in danger of extermination as food for larger fish.

Mr. Parent has been in the city during the last two weeks making preparations for the transfer.—Telegraph-Journal.

Doctor Prescribes Moirs.

A druggist in Moncton noticed that one of the nurses in the hospital there was buying cream centred chocolates every day.

Inquiry revealed that these were for a patient who had been operated on for appendicitis and stomach trouble. After the operation the doctor prescribed chocolates as the best means of obtain-

ing a sufficient supply of sugar in his diet, orders being to give him a half pound daily.

When his wife noticed this she volunteered to buy the chocolates. She was instructed by the nurse to buy Moirs' Chocolates.

Though the man's diet is increased, and more varied now that he is up and around, he still takes his Moirs' Chocolates regularly.
