PROPRIETOR Chathau. Aug 30, 1889.

MATTERS

Ceased Lumbering.

A great many accidents have occured in the woods this winter. A man named Gillespie working with Scott Fairly on the Southwest, cut bimself severely with his are some days ago, and had to be brought home.

Several parties have ceased lumbering and come out of the woods. Some kad of the depth of snow, others having filled their contract had no inducement to go beyond these

Of course we encarpects a "Railway can only say line" from here to Fscuminac as the types had it in our last. The types someimes make funny mistakes. A reporter was once describing a large meeting, at which the demonstration was very loud. The paragraph read, "The air was rent by the *sneuts* of four thousand men."

The Lumber Cutlook. In consequence of the extended oper- a number of fishermen (who usually session.

deals will bring fair prices it is thought.

To the words of some of the "oldest Department to call the attention of the Bill to divide the Parish of Nelson. In the words of some of the "oldest continuence of the settlers," the back of the winter seems to be broken, and as the same weatherwise look at the leaden blue sky and hear raindrops patter from day to day, they mutter, "bad for the logs, the snow mutter, "bad for the logs, the snow mutter, "bad for the logs, the snow mutter, bad for the logs, the snow it seems much indeed as if the snow is in a harry to be off, but till the "San with Taurus rides" we will not be too sure.

collection will be a generous one. A Story of Shocking Inhumanity A Scaler belonging to Chatham writes from Boiestown to a person here, and smong other matters refers to the "great Hon P Mitchell, then M P, asking him

among other matters refers to the "great number of accidents happening" in the woods. The lett was written on the 25th Feb'y., and within a week, the writer said, "two poor fellows" had been killed. Thus he goes on:

"One of the men killed was working for one of C. E. Smith's parties. It was just shameful the way they used the corpse. The poor fellow belonged about 12 miles above Fredericton, and they put the body on a portage sled and hauled it home with nothing but a dirty ont sack to cover it. He was lying on the sled with his mouth and eyes wide open, and they say the man who hauled dollars from the Yankees for the use of the woods.

him stopped on the road and traded the fisheries: it is but right the fisher should have some benefit and those wo To say the least, this is about as in are the the place to put some of the human a proceeding as we have ever plus revenue into.

SESSION.

HOUSE OF ASSEMBLY. WEDNESDAY'S PROCEEDINGS. FREDERICTOR, March 9. (Special to STAR.)

This morning Mr Johnson introduced a bill to sathorise the Municipality o Kent to pay County Councillors, and Mr. Leighton one to incorporate the Wood stock and Harvey Railway Company. A bill to amend the act relating to the St John slaughter house, was agreed

On motion of Mr Barberie the house went into committee on a bill to provide that school taxes should be paid in the would mangle e'en the dead, perverting school district where the property was situated. The bill was supported by The "brute" who edits Snowball's Messr Barbarie, Thompson, White, Me-"awill tub," under the character of a Manus, Blair and Landry. Opposed by "horse thief" and a "policeman" shows Mesars Gillespie, Morton, Fraest, Colter

cantion!

No wish to eastien the public against a wretch we can only feel pity and constituents as a wretch we can only feel pity and constituents as a wretch we can only feel pity and constituents.

That a purely political cartoon, should yield its school tax to the sale of lands in several ish, should yield its school tax to the sale of lands in several counties with power to bring persons seheol of that parish, and not to the school in another district, where the proprietor may be residing. We are surgiculation passed, but such a now was introduced, and ordered to stand over till the summer seesion of the Council. The public eation of the closed by the such a now was introduced, and done with malicious latent.

For the heart and unsderstanding of such a wretch we can only feel pity and constituents and unsderstanding of such as school tax to the sale of lands in several isting to the sale of lands in several counties with power to bring persons and papers before them and examine witnesses on oath and report their opinion and the evidence and proceedings of the counties witnesses on oath and report their opinion and the evidence and proceedings of the counties with power to bring persons school in another district, where the propriet witnesses on oath and report their opinion and the evidence and proceedings of the committee thereupon.

How Mr Adama asked that the object tem is, that the property of the country, shall support the sake of the country.

But land is not personal property, it is hen certain charges were made against the latest to the sale of lands in several and papers before them and examine witnesses on oath and report their opinion and the evidence and proceedings of the committee thereupon.

How Mr Adama asked that the object of the resolutions should be more specifically stated. He called the attention of the lands in the property of the country.

But land is not personal property, it is hen certain charges were made against the sale of the sale of lands in several gist of it was that the pr

THE SURVEYOR GENERAL'S SPEECH, HIS DEMAND FOR SPECIFIC CHARGES, -HIS POS-ITION MAINTAINED BY THE

HOUSE.

FREDERICTON, March 10. Mr Willis in accordance with notice

(Special to Star.)

by the sneuts of four thousand men."

Millartea and its Remieck Erade.

Messra J. & J. Millar & Co. have enagged a hundred teams to haul bark to their extract factory from different localities on the snow. On Wednesday

Since writing you my last better of March 3rd, the Star of Feb. 28th has come to hand (it only arrives here their extract factory from different localities on the snow. On Wednesday ent of what he had to defend, and would be obliged to tend the tedious investigation of the committee during its random inquiry. He appealed to the House if he should be dragged a second time before a committee of five who would have the power of summoning witnesses to prove something that he had no knowedge of. He contended that if cited before a committee, he should know for

what, and if the mover (Willis) would now state to the House what the charge was, he would himself call for the in vestigation. [Willis failing to make any VARIETY STORE charge, the Hon Surveyor General then

LEMONT'S VARIBITE FLOAR IS A HORSE STATE A ATTORNET'S ALLAW, held word.

LEMONT'S VARIBITE FLOAR IS A HORSE STATE & ATTORNET'S AT-LAW, Solicitors in Bankruptcy, Concepts are small. We buy our Goods for Cash, consequently can sell them CHEAPER than any other storekeeper.

We employ workmen in our CABINET Claims collected in all parts of the WORKSHOP making

OFFICES, His Lordship Bishop Regers, announced that a collection would be taken up at all the Masses on St. Patrick's Day for the benefit of the Sisters of the Hetel Dieu. He explained the reason why this collection was not taken up at the season was not ta justify the appointment of such a committee. When the committee was organized Mr Ryan denied before them SPECIAL!

ance in the Hospital are unable to give anything, it is unnecessary for us to say that they are deserving of a large collection. As the Hospital is is a sense a public institution and a credit to Chatham, many we are sure who may not ham, many we are sure who may not agree with the good Bisters in religion, but who admire their Christian Charity and self-sacrifice, would like to help in linearing the collection. We first the money for building it wo wish each reader of the Star to ent out in a slikely to go to Kent as to Northumber as likely to go to Kent as to Northumber as likely to go to Kent as to Northumber as likely to go to Kent as to Northumber and they are deserving of a large collection. As the Hospital is is a sense a much right (more I think,) to add then say, who will, that Chatham town affairs are conducted with heavesty or intelligence.

This year they make no charges but appear also to be morely looking for some-increasing the collection. We trust the along with the telegraph line the Government of the Star to ent out that he ever made such an assertion and them say, who will, that Chatham town affairs which we publish today. Read the figures carefully the charge on which the committee was named then say, who will, that Chatham town affairs which we publish today. Read the figures carefully the charge on which the committee was named then say, who will, that Chatham town affairs which we publish today. Read the figures carefully the charge on which the committee was named the say, who will, that Chatham town affairs which we was named then say, who will, that Chatham town affairs which we publish today. Read the figures carefully that he ever made such an assertion and them say, who will, that Chatham town affairs which we was named the charge on which the cha named was never investigated but the committee proceeded to search for mismanagement entirely outside of the matpear also to be merely looking for some-thing and they again ask for a committo without stated object. If the oppothem the Government will be happy to give them a committee under the present resolution. If they fail in any one point they may take up some other and compete the Surveyor General to ask for an adjournment till he can send abroad and bring witnesses to contradict what he cannot provide against till he hears it. Bringing of witnesses as was the case lest year would entail expense, and before this is done the House has a right to know that there is a necessity for taking action and some good purpose to be accomplished.

Blair arged the appeintment of a committee and deprecated the attempt to escape investigation made by the Surveyor General.

Let largest and best in the Province, embracies of every class of consumer. Out Wines, Cognae Brandies, &c., are all direct importations! We do nothing with Moutreal peddlers and Jobbers. Our geods are all personally selected, and coming from the shapper direct we are in the position—and the only position in which a merchant can with condence guarantee age, characte and quality—and give his customers pure and reliable wines, genuine Cognae Brandies &c.

Always in steck: a wide variety of best Wine. Brandies, Whiskles, Gin, Rum, Ale and Perter.

All the stocks are personally selected and of the best brands. Orders from eutports promptly filled.

T. FURLONG give them a committee under the present

General. Mr. Elder said he felt astonished at the Dec15-tf interpretation put upon the words of the Surveyor General by the last speaker. He understood that the Surveyor General merely wanted the charge to be formulated so he might know what he had to meet. The accused has, in all cases, a right to know what the charge is. He understood the Surveyor General was ready to meet any charge that would be

Hon Mr Adams said the report stated that he said part of the 4,000 acres in Northumberland was under lease to four persons and that part of it was held by one who did not cut lumber on it. He gave the unqualified denial to the state. ment that place-men were put up to make prices higher for those who were not friends of the Government. He BLACK BROOK. stated that the 3,000 acres in Resti gouche was never under license, and in Dec22wkly4:n.
