Small lots remain at \$4.40 to (anged and sold last week and Turn warm we general, but the yield will unsatisfactory, as this oreal sustained irrepara damage during the spring. In the Saale distric commencement has been made with harley harvy a fine crop being expected but of a variable quali as many fields have been badly laid by recent rai Oats have improved, but are still backward, and is to be regreted that disease has so much affect potatoes that a good yield is despaired of. At He burg a quiet but firm tone has prevailed in wheat market, finest yellow Rostock being held 586 has, reso on board. Baciey has been quiet, only sale worth noting being some Bohemian at per 468 lbs, free on board. The first samples of n isale may be expected this week. At Dansig ryc cutting is general, and rapesed meen secured in good condition. Holders of s wheat have not been inclined to submit to any duction, as upplies have been small and isoks much reduced, but the demand has alackened w the roturn of fine weather, and for future deliv previous quotation could not be repeated. Th has been no quotable change in rye, but barley a pesa have brought anhanced rates, as the offer of both have been light. In Romania the weather has been very hot, the grain market at Galatz has been in an exci-tated, in consequence of had reports from ma-parts, which have caused sellers to raise their y tensions. Ghirks wheat is held for 34s per imper gen for bo hard, have dealer to raise their y tensions. Maise has advanced, owing to the mand for hilly, and Galast zeanot now be bound tensions.
