

HARKINS ACADEMY ITEMS OF INTEREST

GEORGE STOTHART, Editor

Many young high school boys and girls went picnicking on the 24th, and thoroughly enjoyed themselves in spite of the fact that the tea, which was steeped by the boys, was smoked and parboiled by the fire of green wood.

The high-school boys of the Tuxis basketball team which went to Campbellton last Friday are now back at their studies.

The comic section of the Newspaper draws the eye of the High School pupils as well as that of the Kindergarten as was shown by the fact that no less than 3 funny papers were to be seen in the room one day last week.

De Omnibus Rebus
Several rooms report poor attendance.

Discipline squads continue to be successful as is shown by the good marching order.

Miss Dunnett's Dept. has held the

Shield for attendance for some time.

Last Thursday afternoon a young Mr. Duan of Grade 3 developed a toothache and part of the medicinal equipment of the Academy was called into play. The medicine proved satisfactory as the young man afterwards reported.

The Academy's lawn is advancing rapidly and it is hoped that the boys will be able to take down their (low board) fence before long.

Personals

Helen McKenzie of Grade 3 is missing from her class.

Brander Craig has been detained at home for some time.

Frank Park has not returned as yet to his class Grade 6.

Ar. Allen Grade 5, has returned to his studies after a short illness.

The school will miss three of its brightest in the persons of Jean, Viola and Harold Melanson. Jean of Grade 7 and Harold and Viola of Grade 4. The Melanson family having moved to Sackville.

WHAT CAUSES HEADACHES?

"Fruit-a-tives" Prevents Auto-intoxication

Auto-intoxication means self-poisoning. Many people suffer from partial Constipation or insufficient action of the bowels. Waste matter which should pass out of the body every day, remains and poisons the blood.

As a result, there is Headaches, Indigestion, disturbed Stomach, Pain in the Back, Rheumatism and Eczema and other skin diseases.

"Fruit-a-tives" will always relieve Auto-intoxication as these tablets, made from fruit juices, act gently on the bowels, kidneys and skin and keep the blood pure and rich.

50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

Railway News in Brief

Moose Jaw.—Work will be commenced in the next few weeks on the new Dominion Express Company building which will be immediately west of the Canadian Pacific office building and north of the present express and baggage building.

It is expected that within the next few weeks the old station will be torn down and the work of excavating for the subway approach to the tracks will be continued.

Winnipeg.—Among the travellers on the Canadian Pacific eastbound train which passed through Winnipeg a few days ago was little Doris Blissett, nine years old, on her way from her home in Vancouver to England. She travelled quite unaccompanied and sailed from St. John on the Canadian Pacific liner Montcalm to attend school in England. Children travelling on Canadian Pacific trains and liners are special looked after by officials and stewardesses.

Galt.—A new modern joint station for the Erie and Northern and Grand River Railways is assured for Galt in the immediate future.

M. W. Kirkwood, General Manager of the two lines, was in Montreal last week and as a result of his trip he has now received the signed appropriation covering the money necessary for the new station.

The location of course will be in the vicinity of the present temporary equipment on Main street. It is anticipated that the plans will be in readiness soon and contracts for the new building let immediately.

Smiths Falls.—During the past ten weeks instruction in the emergency treatment of accidents has been given to the employees of the C.P.R. here, and also to the wives and daughters of employees and the ladies of the town in general. The instruction was given by the company's first aid instructor for the St. John's Ambulance Association. The people deeply appreciated the privilege extended by the management in allowing them the services of their instructor. Dr. Gray was assisted by the general secretary of the C.P.R. First Aid department in holding examinations of the classes. Dr. Gray expressed great satisfaction with the general knowledge displayed by the students.

Ottawa.—There are in Canada at least 37,000 square miles of peat bogs, with deposits from five to ten feet deep, and it is estimated that each square mile contains on an average the equivalent of 430,000 tons of coal.

The Council for Scientific and Industrial Research at Ottawa after considering the problem of making Canada's fuel consumption less dependent upon the United States, in 1921 the Dominion and Ontario Governments to appoint jointly a peat commission, which carried on extensive experimental development work at the Alfred peat bog, on the Montreal-Ottawa line of the C.P.R. The product was sold at profitable prices in competition with coal, and it is expected that a flourishing peat industry will eventually be founded.

Winnipeg.—Western Canada recently welcomed the first contingent of its 1922 army of settlers from Europe and the United States when 350 persons—men, women and children—arrived at the Canadian Pacific and Union depots. Immigration officials state that the influx for the season definitely is "on."

All these settlers will go on the land in Manitoba and the western provinces. The new arrivals, for the most part, are family parties with effects or money, or both, and their intention is to farm on the prairies and not to migrate to the cities.

Manitoba's share of these settlers was a farmer group of 111 persons who expect to locate on farms. Family groups composed this party almost entirely. Additional parties were bound for Saskatchewan, Alberta and British Columbia.

A party of 50 immigrants arrived from Roscoe, Minnesota, and was accompanied by 9 cars of effects. All are bound for the western provinces. Hazel Dell, Saskatchewan, was the destination of 6 of the cars, one went to Melrose, Saskatchewan, one to Clyde, Alberta, and one to Cadworth, Saskatchewan. Passengers from the steamship Tunisian, numbering 178, arrived in Winnipeg over the Canadian Pacific Railway.

CAMP SUSSEX OPENS JUNE 28

Extensive Courses in Different Branches of Training—650 Men Under Canvas

The militia camp at Sussex will commence June 28th and last till July 6th. Arrangements are now in progress in getting the camp ready and it is expected about 650 men will be present, and extensive courses in the different branches of training will be given. The camp will be in charge of a Camp Commandant, who will be assisted by a G. S. O., a Senior Engineer Officer, a Signal Instructor, a Supply Officer, a Medical Officer, a Paymaster, a Cavalry Instructor and two Infantry Instructors. The names of the officers and instructors will be announced at a later date.

The following units will comprise the camp: 8th Princess Louise Hussars, New Brunswick Dragoons, 1st Brighton Field Co., and the 16th Infantry Brigade, composed of the Carleton Light Infantry, the Cork Regiment, the North Shore Regiment and the New Brunswick Rangers.

Owing to the limited funds available for training purposes this year the plan is to keep the officers and non-commissioned officers together as much as possible, with the view that the organization will have competent instructors for training and will be ready to carry on when more funds are available.

A Good Medicine For The Baby

Nothing can equal Baby's Own Tablets as a medicine for little ones. They are a laxative, mild but thorough in action, and never fail to relieve constipation, colic, colds and simple fevers. Once a mother has used them she will use nothing else. Concerning them Mrs. Saluste Pelletier, St. Damas des Aulaines, Quebec, writes:—"I always keep a box of Baby's Own Tablets in the house. They are the best medicine I know of for little ones and I would not be without them." The Tablets are sold by medicine dealers or by mail at 25c a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Citizens of Newcastle Take Notice

The yearly tax bills are now being distributed and it is pleasing to note that whereas different towns and cities have increased their tax rate, our rate has been reduced by 5%. In order that we may continue to reduce our tax rate at the end of this year, it behoves every conscientious ratepayer to make an earnest effort to pay up their taxes during the year. We would particularly ask that everyone possible take advantage of the 5% discount which is given on taxes payable on or before June 6th and thus enable the town to take care of heavy payments which have to be made the first part of June. These payments include Bond interest, School appropriations, Sinking Fund and large payments covering supplies for sewerage extension.

A review of our Town Book for the past year shows that our financial position is being strengthened each year, and let us by a deeper interest in town affairs and whole hearted co-operation of our citizens, maintain that position, and despite the trying period through which we are passing, pay up our assessments and thus maintain our public institutions and equipment.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

In Use For Over 30 Years

THE CENTAUR COMPANY, NEW YORK CITY

Bake with BEAVER FLOUR

OBTAIN bread with that delicious home-made flavor—pies, cakes and pastry with tender, delicate, flaky crusts.

Beaver Flour is made from the finest of selected Ontario Winter Wheat combined with enough Western Hard Wheat to give it strength.

Beaver Flour is the original blended flour—and blended flour is recognized by all qualified experts to be the best flour for general baking purposes.

Don't hesitate! Try it! Sold by your grocer.

THE T.H. TAYLOR CO. LIMITED CHATHAM ONTARIO

Nothing Else is Aspirin—say "Bayer"

Warning! Unless you see name Bayer on tablets, you are not getting Aspirin in handy tin boxes of 12 tablets, and in bottles of 24 and 100. Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of package which contains directions worked out by physicians during 21 years and proved safe by millions for Colds, Headaches, Earache, Toothache, Neuralgia, Rheumatism, Neuritis, Lumbago, and Pain. Made in the Canada.

Accept only an unbroken "Bayer" package which contains directions worked out by physicians during 21 years and proved safe by millions for Colds, Headaches, Earache, Toothache, Neuralgia, Rheumatism, Neuritis, Lumbago, and Pain. Made in the Canada. "Bayer Cross."

WATERING CART

The Watering Cart was a cure for sore eyes last Thursday when it appeared on the streets and settled the dust, which was filling every crevice that it could creep into. It is hoped the cart will keep up the good work.

GREAT PITCHING

For the sixth time in the history of the game a baseball player has pitched complete shutout, allowing his opponents no hits, no runs and no men to bases. No-hit games have been pitched much more frequently, where bases on balls have been given, or where errors have occurred. But to young Charles Robertson, late of Minneapolis, and now of Chicago in the American League, has come the rare glory of facing only

twenty seven men in the game, the smallest possible number in a full contest. Six of the twenty-seven fanned the air. Robertson's teammates gave him perfect support. There is no beating such a combination. Walter Johnson had pitched a dozen years, all of them brilliantly before he scored a no-hit game. Many another great pitcher has gone through season after season, winning high percentages, without touching this mark. The chances are that Robertson will not repeat this extraordinary performance. And then, again, he may, for there is nothing so uncertain as the base ball game.

PILES

Do not suffer another day with itching, bleeding, or protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and afford lasting benefit. See a box at dealers, or Edmondson, Baines & Co., Limited, Toronto. Sample box free if you mention this paper and enclose 5c, stamp to pay postage.

REST—and a cup of Tea

Of very great benefit to health, doctors tell us, is the habit of completely relaxing for a while during the afternoon even if only for a few minutes.

A delicious cup of tea at this time not only refreshes but makes it an event in the day to look forward to.

KING COLE Orange Pekoe Tea

KING COLE Orange Pekoe is "the Extra" in "Choice Tea"
