WALKER,

have had a crew of men at work on the to make the new canning factory second to none in the province. D. W. Hoegg has returned from Nova Scotia, where he has purchased a large quantity of apples, suitable for the canning business, and it is intended to prosecute this industry on a large scale.

Thursday morning near the hotel. It was only last'week the animal was poisoned. The dog was a most valuable animal and the disposition and was a great favorite with all.

A PECULIAR ATTACHMENT.-An exchange says: A St. Stephen travelling man returned from Fredericton, but he was minus his sample bag. It followed on the next train. A tag attached bore this inscription : "Pretty drunk when he left." The travelling man says it is a gross lie, prompted by a spirit of revenge. His friends know him to be a sober man, with his thoughts constantly bent upon the graveyard, and they are inclined to believe him. The end is not vet.

A DISTINGUISHED VISITOR.-Llewellyn A. Prince William. Morrison, the well known poet of Toronto has been spending a few days in town partly for business and partly for pleasure Mr. Morrison, who is a manufacturer of machinery, has been turning his attention to the fine arts, and has purchased several studies by Hedley Edgecombe. He speaks in warm praise of the celestial city. Mr. Morrison is a powerful writer of verse and has composed some hymns which are very much thought of.

CONVERSATZIONE.-The members of the Epworth league and the teachers of the Methodist S. S., entertained the university and Normal school students in the lecture room of the Methodist church last Wednesday evening. A short musical and literary programme, consisting of quartettes, solos, the recherche ice cream with his accustomed and entertaining readings was agreeably rendered by the members and teachers. At half-past nine refreshments were served, and a pleasant intercourse followed. There and J. D. will be all there. The opening event were about 150 present, and all declare they of the season is announced for Thanksgiving succeeded in removing the greater part of was received in this city with much regret
