

Zurich.

On Monday morning, about 3 o'clock the Fountain House, kept by Joseph E. Brenner, at Grand Bend, was totally destroyed by fire. The fire originated in the stable. Three horses and one cow got burnt. A commercial traveller who stopped at the house lost a span of horses, a wagon, and all his samples. The Stable Bridge was considerably damaged. Total loss about \$4,000, which is partly covered by insurance, cause of fire not known.

Goderich Township.

Mr. Thomas Cottle, one day last week while pulling out stumps with the horses, had the misfortune to get kicked by one of the animals. He was thought at first to be dangerously hurt, but is now recovering very fast.

On Saturday last while Mr. and Mrs. Alex Taylor, of the Bayfield road were driving to the Goderich railway station to proceed to Paisley, to attend the funeral of a nephew at that place, the horses ran away, and Mr. Taylor was thrown out. He sustained severe injuries to the spine, but, we understand, serious consequences are not apprehended.

It is reported that Mr. Thomas Gordon formerly of this township, who took his departure for Michigan last autumn, is dead. A telegram was received by Mr. Swallow, of Clinton, on Saturday last to that effect. His wife and family have the deep sympathy of the entire community as Mr. Gordon had made many friends by his courteous and unassuming manner.

AREAS STILL.—Last week my Leeburn suffered indulged in a little boasting on the question of horsemanship, but we think he will have to take water after all. Our Yorkshirer has just refused \$200 for "Cob." \$100 has also been refused for a ten months old colt, and \$200 for a 7 year old mare Brown Bess. These nags were raised in our town, and so was Punch, of whom Webster Brown boasts so loudly. His late owner could not get horses to suit him in Leeburn, and left that haughty and came here for Punch. Our horses can out-draw, out-trot and out-jump any nag in Leeburn that ever pulled through a collar. Let the chronicler of that clackan give us a rest on the horse question.

Obit.—We this week announce the death of Mr. Prince Morris, who passed away at Joliet, Mich., on the 22nd inst. in his 75th year. The deceased was a native of Wiltshire, Eng., and settled in Colborne in 1834. He was for many years a county constable, and it used to be his duty during the sittings of court to wait upon the grand jury. A few years ago he removed to Michigan. Two of his sons, Charles and William are respected residents of Goderich. He was elder brother of Mr. John Morris, of Morrisdale, who is one of the few left of those who first settled on the 9th and 10th con., of Colborne, and changed the forest wilds into smiling farms.

Arthur Sullivan, the well known music composer; George Grove, editor and writer, and George A. MacFarren, Mus. Doc., have been created knights.

Mr. Justice Torrance on Monday, gave formal judgment at Montreal, annulling the Jacques Cartier (local) election with costs against Mr. Mousseau. The writ has already been issued for a new election. So far Mr. Mousseau is the only candidate.

Farmers & Gardeners

SEE HERE!
THE NEW FERTILIZER.

Cotton Seed Compound
is Cheaper, and as good or better, than most of the Commercial Fertilizers of the present day.

This Fertilizer is a real manure, not merely a stimulant, the value of which is proved by its increasing use wherever introduced.
A hundred thousand tons were shipped last year to England for fertilizing purposes alone.

Gardeners take notice that vegetables manured with it mature and ripen earlier than with ordinary manures.

SCROFULA

and all scrofulous diseases, Sores, Erysipelas, Eczema, Blotches, Ringworm, Tinea, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores.
"Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me. Yours respectfully, Miss ANN O'BRIAN."
15 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brian, also upon the Rev. Z. P. White of 75 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald, B. W. Ball, of Boston, writes, June 7, 1882: "Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, Rheumatic Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality.

It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease.
