SCHOOL SHOES.

SAY, POP! It seems as if all the Boys and Girls in our School are wearing Sage & Wallace's Shoes, so many of them have on their shoes. Said they paid only \$1.50 a pair for them. They are just dandies, and I am sure they will wear well, 'cause all of Sage & Wallace's Shoes do, and I heard some of the Boys and Girls telling each other about the splendid Stout Sole Shoes that they get at Sage & Wallace's, said they sold them at \$1.25 and \$1.35 per pair, and they're beauties too. This is the way the Children talk at home about our excellent School Shoes.

For points of special interest, where all is interesting, the reader may be referred to the question of American Fishery Rights which has been pending for 100 years and will be shortly submitted to the Hague Tribunal, to the proof of discovery by the early Norse mariners, the tale of the romantic devotion of Moravian missionaries, and the adventures of Captain Cartwright, settler, sportsman, and merchant.
