WILLIAM FREW.

The Standard Recipe
for Home-made Self-Raising Flour.
To every pound of ordinary flour add 2 ozs. (one 5 cent tin) of
"Paisley Flour"
The SURE raising powder.
and mix dry. Mix it fresh every time—it only takes a minute. Stir round till the lighter coloured Paisley Flour disappears and sit through a dredger.
In this way you have a self-raising flour superior to anything you can buy—one in which the raising powder has lost none of its virtue by waiting, exposure to air or damp in shops, etc. And it will cost you no more, if not less, than ready-made self-raising flour.
Paisley Flour is sold in 22c, 14c and 5c tins. The 22c tin will raise 7 pounds of flour.

Water Glass for Preserving Eggs.

It is proved there is no other Egg Preserving Material so effective as **Water Glass.** It will keep Eggs perfectly fresh for two years. Its use is recommended by the National Poultry Keepers' Association. It is perfectly harmless and does not discolor the shells or give any flavor to the Eggs.
A 1-lb. Tin is sufficient for 120 to 150 Eggs. Full directions on each tin. Send to-day for a tin, and so ensure a fresh supply of Eggs all winter. A pound tin costs twenty cents postpaid. Send to-day to

Jackman The Tailor

Desires to intimate to his Patrons and the Public that his Fall stock of High-Class Tailoring, Gents' Furnishing and Readymade Goods are now open for inspection. In our Custom Tailoring Department we have a very large line of Tweed Suits and Overcoatings. Our Leading Line of

\$18.00 Custom Made Overcoats

BEATS ANYTHING EVER OFFERED to the public.

Last week we opened the largest shipments of Boys' and Men's Readymades ever imported by us, and in anticipation of a big Fall's trade we have ordered another large shipment, to leave England on the 17th October.

Our Gents' Furnishing Department was never so well stocked with High-Class Furnishings, and we can confidently recommend the new lines of Hats, Caps, Underwear and Neckwear that we opened last week to fashionable buyers.

With a view of giving special attention to Men's and Boys' Clothing and Furnishings we have decided to go out of General Dry Goods, and as we want to sell out all our stock of Dry Goods by the end of the year, we offer a genuine reduction of 20 per cent on all purchases. We specially invite Wholesale buyers to inspect our stock, and we believe, that in many lines, we can offer goods 20 per cent. lower than regular wholesale.

To avoid the big rush of orders that we have to deal with after the middle of October, we would esteem it a favor if our patrons would place their orders at the earliest date.

SPECIAL ATTENTION GIVEN TO MAIL ORDERS.
