HARVEY & Co.

IN THE YEAR 1932

how much will you have accumulated at your present rate of saving? Most men will have little or nothing saved if conditions are at all similar to those of to-day.

Every provident young man appreciates the wisdom of accumulating for his own benefit at least, and looks forward to an old age of comfort and enjoyment relieved from want and worry. And every thoughtful man endowed with manhood feels that a duty rests upon him to make some provision for others dependent upon him.

The safest, simplest and most profitable way to accomplish all this, and to be sure of a snug competency by the year 1932, is by investing in a Canada Life Endowment Policy for \$5,000 or \$10,000, according to your means and facilities. The policy can be bought on easy instalments and arrangements are provided to assist in carrying and enjoying the insurance.

Send in your name and age and let us submit to you a good proposition.

How to Get 6.66 to 7.60 p.c. On Your Money

The tendency of the times is towards investments yielding a higher interest return. Preferred Stocks are much in favor by such investors. We own and offer for sale, in lots to suit purchasers, blocks of the undermentioned preferred stocks:—

Stanfield's Limited 7 p.c. Preferred.
Nova Scotia Car Works First Preferred.
Nova Scotia Clay Preferred.
North Atlantic Fisheries Preferred.
Hewson Pure Wool Textiles Preferred.

A Common Stock bonus is given with the last two mentioned. Price and full particulars will be given upon application.

Handsomeness

Coats and Suits

Just received from the best of the present day makers. The Coats and Suits in the shipment just opened up are quite out of the ordinary.

Stroll through our Suit and Skirt Department; note the new Fall styles. The department is fairly sparkling with pretty new designs. The display is the most complete and quite the best we have ever shown.

Expensive Obedience.

BY RUTH CAMERON.

Obedience in a child is certainly a splendid quality; more irritating than a mosquito's sting is it to have a disobedient child. And yet there are many ways of exacting obedience that seem to me even worse than putting up with disobedience. Cowing a child is one of these, and lying to a child is another.

The other day I was making a call on a woman of some social standing and presumably of some intelligence and education, when her little son came into the room sucking his thumb. "Phillip," said my hostess sharply, take your thumb out of your mouth. If you keep putting it in, I shall certainly cut it off."

What do you think of that? Don't you think that mother is paying a pretty high price for her son's obedience? I do.

And yet I know a great many grown people with a belief in their own integrity who seem to think nothing of forcing their children's obedience by lying to them about the consequences of their acts or the punishments that will follow.

"If you touch anything on the parlor table I'll tar and feather your hands," is one woman's pleasing threat to her seven-year-old daughter.

"If you don't behave the bigger man that lives in the dark will catch you," has saddled thousands of children with a lifelong fear of darkness.

Again, I once knew of a woman who was crossing the Atlantic with two children, a baby of two and a child of six. To hush the baby she repeatedly threatened to throw it out the port-hole into the sea if it did not stop crying. On returning to her stateroom after a brief absence, what was her unspeakable horror to find that the other child had carried out her wicked threat.

Lying to children is ticklish business. If you must lie, take someone your mental size. Obedience enforced by threats is not much good, but it's even less desirable when the threats are lies.

Ruth Cameron

A. WOMAN'S GOOD LOOKS.

Depend on her general health and freedom from pain. Many a woman looks old before her time because of those irregularities which are essentially feminine. Starting from early womanhood, she suffers from frequently recurring derangements that upset her womanly health. If she be beautiful she grows into that mellow age without wrinkles and crowfeet about the eyes or the blue circles underneath. It is invariably the rule that such women suffer little, if not at all, from womanly derangements which sap the health and leave in the face the tell-tale story of pain and suffering. Dr. R. V. Pierce, the famous specialist in the diseases of women, found a prescription in his early practice that soothed the organism peculiar to womanhood—oiled the machinery, as it were, of the human system—and helped the woman to pass those painful periods that scar-lined and aged her face. This remedy became the well-known Dr. Pierce's Favorite Prescription, that has benefited thousands of women and saved them from misery and suffering at different periods in life.

Mrs. HANSEL E. PIERCE, of 244 Bright Street, Saratoga, Ont., writes: "I am now a well woman, after suffering for three years and doctoring with several different doctors, each one saying it was something different, and the last one, after putting me through a thorough examination, said I was suffering from a growth, which, as time would result in cancer, and said I would not live more than two years if not operated upon right away. I became rapidly discouraged but would not consent to the operation as I was too weak and too much afraid, but at last, through the advice of a friend, I tried Dr. Pierce's medicine, and after using two bottles of the 'Favorite Prescription' I immediately felt a change. I also used two boxes of 'Healing Suppositories' and eight boxes of 'Lotion Tablets,' and can safely praise the name of Dr. Pierce's medicines to all who suffer from any female disease, for these medicines are all they are claimed to be, and I hope will help others as they have helped me."

Fashions and Fads.

Some of the newest slippers have their heels studded with brilliants. Among the novelties are umbrella handles covered all over with tiny beads.

The satin blouse is the happy solution of what to wear with the tailored suit.

Very large buttons are in fashion again. Also quantities of round ones of medium size.

Among the new veils, bicuit and cream color lead, and smaller weaves are being shown.

Black silk muslin gowns for evening wear are edged with sable, chin-chilla or ermine.

Seen in the new millinery are hats of silk beaver and curious woolly hats called lambs' wool.

Although there is some favor shown to draped effects, straight lines are in the majority.

Plain dresses of colored silk are re-

IT IS SIMPLY INVALUABLE

That is Mr. Stewart's Opinion of Douglas' Egyptian Liniment

Mr. Israel Stewart, of Desmond, Ontario, has given Douglas' Egyptian Liniment a very thorough test, and this is what he says about it.

"After using and making some remarkable and speedy cures with Douglas' Egyptian Liniment, I must say that I believe it to be the most wonderful remedy for man and beast I have ever used. We had a horse badly injured in the pasture field, and before we were aware of it the wound was in a very bad condition, but Egyptian Liniment soon dislodged everything nasty and a rapid cure was made.

In the house it is simply invaluable in all cases of rheumatism, sciatica, neuralgia, burns, sprains or bruises. It is a boon to humanity."

You owe it to your family and your stock to keep a bottle of Douglas' Egyptian Liniment always on hand, ready for instant use.

It stops bleeding at once. It heals cuts and wounds without inflammation or proud flesh. It quickly takes the pain and swelling out of sprains and bruises of all kinds. In fact, it is simply splendid for every trouble of man or beast which a liniment can cure. 40 cts. at all dealers, free sample on request. Douglas & Co., Napanee, Ont.

Billiard Record.

STEVENSON 1,016.

A record break at all-round billiards was made by H. W. Stevenson at Thurston's Saloon on Oct. 11, when in the course of his match with W. Cook he scored 1,016. The previous best break for all-round billiards was \$23, made by C. Dawson in the same hall in 1907, but both John Roberts and Stevenson had previously scored breaks of over 800. Stevenson's 802 is the record under Billiard Association rules.

The anchor stroke, spot stroke, and losing hazard stroke breaks are the only ones which Stevenson's 1,016 does not beat, and the first two of these have now been barred by the authorities, while the losing hazard stroke is now regarded as freak billiards.

Using the anchor stroke, T. Reece made a break of 499.135 in 1907, while W. J. Peall in 1890 made a break of 3,304, but this was when the now barred spot stroke was allowed, and Geo. Gray, the young Australian player, has scored 2,196 mainly by means of losing hazards.

Stevenson's break of 1,016 was made mainly by the red-winner cannon game.

WILL STAY HERE. — It was thought by most S. A. people that Ensign and Mrs. Hargrove who left by the express on Wednesday were to remain away, and they were given a cordial farewell. Later the order for their going was revoked and they will stay here for some time yet. This comes as welcome news to S. A. people with whom both are very popular.
