DEAR SIR.—Photography is now being recognized as a
method in Education too valuable to overlook.
More and more are we turning to Nature, because we recog-
nize for the first time in the history of the world that we are a
part of Nature. We are Nature. And the more we love Nature,
the more we understand her, the stronger, the healthier, the hap-
pier, the saner we are.
The Camera brings us very close to Nature.
It makes us feel our kinship with the Infinite.
The Camera habit isn't a passing fad. More and more it is
becoming fixed in the heart of the race.
Yours faithfully,
THE HOLLOWAY STUDIO, LTD.,
