LADIES!

Have you seen the New Manicure Requisite,

the ROLLER POLISHER

for the Finger Nails? Makes Pretty Hands.

The Roller Polisher just naturally fits the hand, making it easier to use. It files all the nail, without rubbing. It has eight times more filing surface than the old style. It fits the nail perfectly. It files the nail up close to the cuticle without rubbing or inflaming the lat. It is made of the best materials. It is money can buy. It comes in a sanitary container, which is, at all times, desirable, but particularly so, when travelling—and, quality for quality, Roller Polishers underseal the style, oval-shaped, fingernail buff. From 35c. to \$1.10 each, at our store. Only one of two of each.

GOOD ADVICE.

It is necessary to always have a bottle of good Brandy at hand.

What Brandy will you buy?

The Medicinal Brandy "Sanator" is not a properly so-called medicine, but it has been selected from amongst the best known growths for their effective principles, and it is distilled so as to develop its tonic and digestive qualities. It is really the **FAMILY BRANDY**, which name the public has, for a long time, bestowed on it.

The celebrated French physician, **DR. PHARZELLE**, Inspector-in-chief of the Great Medical Services, says: "The medicinal Brandy "Sanator" is eminently an easy digestive drink, remarkable for its tonifying and reinvigorating properties."

Ask for Medicinal Brandy Sanator from your liquor dealer; he has it.

DIRECTIONS.

Against weakness and bad digestion: a liquor glass at each meal.

Against Cold, Influenza: take as a hot drink, viz: one ounce and a half of Brandy, one ounce of hot water, with a little sugar.

Against summer complaints: use with chopped ice, or cold water.
