Trenching **GALLIPOLI**

By JOHN GALLISHAW.

The personal narrative of a loyal Newfoundland soldier in the disasrous Dardanelles campaign. An adventure-story stranger than fiction: as well as a reliable account, by an inusually keen participant, of the gigantic failure at Gallipoli. For obvious reasons not a great nany details of the Dardanelles cam

paign were permitted to be published while it was running its dramatic and terribly costly course; nor since, either, for that matter. Mr. Gallishaw student at Harvard when the war began and now, wounded, again in this country, is at liberty to write about what happened. His book, noreover, gives an extraordinarily vivid impression of what trench-fighting and trench-living is like If you haven't heard or seen it, get
