In this game French put up a splendid exhibition. His high run of 56 was skillfully executed and brought forth much applause from the large gathering present. The breaks were:—

NEW BANTAM CHAMPION.

Abe Goldstein Regains Title.

NEW YORK, March 21.—Abe Goldstein won the world's bantamweight championship from Joe Lynch in a one-sided fifteen-round battle at Madison Square Garden to-night.

Lynch was dethroned after a sorry exhibition. He fought a sluggish, listless battle from start to finish. He was a mark for Goldstein's rapid-fire left jab and rocked repeatedly by the challenger's right crosses to the ribs and chin. Goldstein on the other hand fought a heady, resourceful battle. He kept up a relentless fire with his left. Lynch was unable to solve that constant jabbing, and he did not seem to have any strength left up any sustained assault himself.

Goldstein had Lynch tottering in the second round with a smashing right hook to the jaw. It dazed the champion, but his generalship saved him. Again in the twelfth he had the titleholder shaky and drew a crimson stream from the latter's nose. At the finish, Lynch was a badly battered champion, while his conqueror showed no signs of battle.

A REMINDER.

A special meeting of the Amateur Athletic Association takes place in Columbus Hall to-night. A large attendance is requested.

Goldstein's triumph more than evened the knockout he sustained at Lynch's hand hands in 1920.

RENAULT BEATS ROPER.

GRAND RAPIDS, Mich., March 21.—Jack Renault (190) defeated Captain Bob Roper (195½) in a ten-round bout here to-night, in the opinion of newspaper men.

Roper went to the floor twice in the third round. Renault used a right cross to the head repeatedly and inflicted considerable body damage.

LATEST BETTING.

LONDON, March 22.—Grand National odds to-day: Conjuror 11 to 2 against; Silvio, 5 to 1; Shaunsapadah, 100 to 6; Music Hall, 20 to 1; Lincolnshire Handicap odds: Galahad, 5 to 1 against; Kevender, 8 to 1; Drake, Conover, 10 to 1; Westmead, 100 to 5; Jarvie and Soval, 20 to 1.

If Sir Galahad II., a French favorite for the Lincolnshire Handicap, wins next Wednesday, a sum estimated by the Manchester Guardian at 1,000,000 pounds sterling will go to France, and immediately changed into francs, probably further improving French exchange.

The odds against the favorite, nearly all of whose backers are French, have shortened from 10 to 1 (when the franc was 120 to the pound) to 5 to 1. Now, the franc is 94 to the pound. The French are betting more heavily with the English bookies at the improved exchange.

NEW BOWLING RECORDS.

When the Kaad Oh Henry bowling team of Chicago made its big pin world's record of 3,335, the three games in their sequences were 1,005, 1,182 and 1,148.

Art Ludvigson, of Chicago, set a new world's record in the singles, recently, and took first place in the individual standing with a score of 739.

Ludvigson's count was seven pins higher than the 732 made by Kair. Ludvigson's games were, 249, 237 and 255.

BILLIARD MEETING.

The Executive Committee of the Newfoundland Billiard Association will meet a delegation of representatives from the various city clubs to-night in the G. W. V. A. rooms, when rules and regulations, governing the new Association, will be submitted for their approval. At this meeting arrangements in connection with the forthcoming billiard championship will be finalized. To-day some 16 entries have been received. An opportunity will be given all billiard players who are not of the championship calibre to come forward after the last game during each night of tournament and try their luck from the position of the balls last played by the winner. The individual who makes the highest break will be presented with a prize one at the end of the tournament. This will be an added attraction to the championship games.
