TUESDAY EVENING, MAY 5, 1868.

Town Council.
The Council met on Monday night. All the members present; the Mayor in the chair. The minutes were read and confirmed.

The Mayor read a communication from the Secretary of the Medical Board, asking that the resolution which will meet here on the 10th of June, might have the use of the Council Chamber, and further what charge would be made for the same. On motion of Dr. Herod, seconded by Mr. Mitchell, the use of the Council Chamber was granted free of charge.

Mr. Thomson read a petition from Geo. Graftey, praying that the Council would consider a matter relative to some taxes he had paid. He had bought a lot from John McDonald on which there had been arrears of taxes from 1864, and when the latter went to the County Treasurer before the bargain was concluded he was told that the total amount was \$100. The petitioner having purchased the lot after the foregoing bill was settled, a further demand of over \$12 was made upon him.—Referred.

Mr. Mitchell read a petition from Mr. Thos. Holliday, asking permission to lay down pipes from a spring to his brewery.—Granted.

Mr. Mitchell read a petition from Mark Towell, praying that the petition of Wm. Heather for closing up a certain road be not granted. Mr. Thomson read a petition from John Thomas Cunningham, praying that a public street might be opened in rear of lot 1016 Canada Co.'s survey, also, that as the street would interfere with some houses, the latter might be removed, as their occupants were neither useful nor ornamental members of society.—Referred.

The By-law for the establishment and government of a Fire Company was read a third time, passed and numbered 168.

Mr. Thomson presented the report of the Finance Committee which was as follows:
The Committee on Finance and Assessment beg leave to report, that in regard to the communication of Mr. Nicholson, Kingmill, asking that the taxes paid by Mr. J. J. Kingmill to the Sheriff for arrears be refunded him, your committee find that Mr. K. paid said taxes under protest, the receipt of which your committee now present. They find that Mr. K. stands in the same position as Dr. Clarke, and the Ven. Archdeacon Palmer's taxes. Your committee would recommend that the matter in dispute be referred to Finance Committee for settlement feeling satisfied that by allowing said case to go into Court would entail expenses on the corporation.—Adopted.

Mr. Mitchell presented the report of the Road and Bridge Committee. They recommended that the petition of Wm. Heather for leave to fill up a gully between his house and the Eramosa Road be granted, on condition of his giving Mark Towell as good a road as he has at present, the work to be subject to the approval of the committee.—Adopted.

Dr. Herod presented the report of the Market House Committee. They recommended that the petition of Chief Constable Kelly for the removal of the stairs at the entrance to the Police Magistrate's office be granted, as by so doing the petitioner's request would not only be complied with, but the Council would also have another room adjoining the present committee room, and the cost would be the very same. As regards the petition of Alex. Reichert and others for the setting apart of a small room for the use of the produce dealers in the Market Clerk's office, they could not recommend that it be granted, as the office is too small for the amount of business done, and the only way the Committee could comply with the prayer of the petitioners would be by adding a separate room, as the Committee feel the absolute necessity there is this year of not only the Market House, but also a committee room for the setting apart of a small room for the use of the produce dealers in the Market Clerk's office, they could not recommend that it be granted, as the office is too small for the amount of business done, and the only way the Committee could comply with the prayer of the petitioners would be by adding a separate room, as the Committee feel the absolute necessity there is this year of not only the Market House, but also a committee room for the setting apart of a small room for the use of the produce dealers in the Market Clerk's office, they could not recommend that it be granted, as the office is too small for the amount of business done, and the only way the Committee could comply with the prayer of the petitioners would be by adding a separate room, as the Committee feel the absolute necessity there is this year of not only the Market House, but also a committee room for the setting apart of a small room for
