

LITERARY LIVES AND VIEWS.—This well known magazine is invaluable to American readers as a thorough as well as fresh compilation of a generally past service, but independent current literature—generally inaccessible because it embraces the productions of the ablest living writers in science, fiction, poetry, history, biography, politics, theology, philosophy, criticism and art.

Among the distinguished authors lately presented in its pages are Matthew Arnold, Chas. Kingsley, Geo. MacDonald, Miss Thackeray, Max Muller, Karl Blind, Prof. Tyndall, Sir Robt. Lytton, Prof. Huxley, James Anthony Froude, Jean Ingelow, The Duke of Argyll, Prime Minister Gladstone, Miss Mallock, Brockmann, Christian, Aris, Helms, Fritz Retar, Julia Kavanagh, Tennyson, Browning, etc., etc.

Besides the productions of the leading British authors as contained in the great mass of British periodical literature, the plan of the magazine includes translations from the best writers of the European continent, and it is to begin with the new volume, (January 1st), the publication of a translation of one of the finest stories of the charming Platt Deutch author *Fitz Huter*. The publishers offer some extra inducements to subscribers who will do well to club with other leading periodicals. Certainly the amount of the best current literature of the world offered by these club terms, cannot otherwise be obtained so cheaply.

The Living Age is generally pronounced "the best of the collection." It is the most comprehensive of periodicals, and in the great multiplicity of quarters, monthlies and weeklies, all of which it represents with a satisfactory completeness no where else attempted, it has become a necessity to every person or family of intelligence and taste. It should not be overlooked by any of our readers in selecting their periodicals for the new year.

BREAKFAST—EPPE'S COCOA—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition and by a careful application of the fine properties of well-selected cocoa, Mr. Eppe has provided our breakfast tables with a delicately flavored beverage which will save us many heavy doctors' bills.—*Civil Service Gazette*. Made simply with boiling water or milk. Each packet is labeled "James Eppe & Co., Homeopathic Chemists, London." Also, makers of Eppe's Milky Cocoa (Cocoa and Condensed Milk).

It is an established fact that consumption can be cured; but it is far better to prevent the cruel disease from fastening itself on the system, by the timely use of a remedy like Dr. Wistar's Balsam of Wild Cherry. This standard preparation will speedily cure a cough or cold, and consumption often yields to its great power.

North Haven, Knox County, Me., 12th June, 1871.—Mr. James I. Fellows, Chemist, St. John, N. B.—Dear Sir: Having used your chemical preparation of Hypophosphites, which was recommended to me by Mr. Blagdon, Apothecary, Rockland, I am truly surprised with its wonderful effects, because for several years my health has been declining, notwithstanding every means possible, which offered encouragement, was used by me. Several alarming symptoms appeared, amongst which dyspepsia, palpitation of the heart, impoverished blood, and great prostration. Since January, when I began the use of your Syrup, my health has steadily and amazingly improved, so that now I give me the great pleasure to recommend it to others, and in this way to show my gratitude for return of health. To all who require a remedy for debility, I would say they will find your Compound Syrup of Hypophosphites just what you say it is. I believe it is the best preparation in use. I am, sir, etc.,

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
